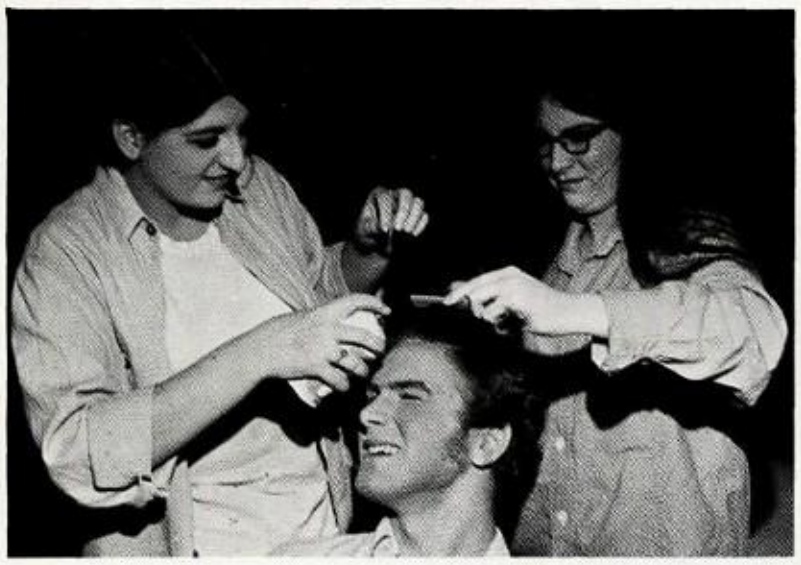
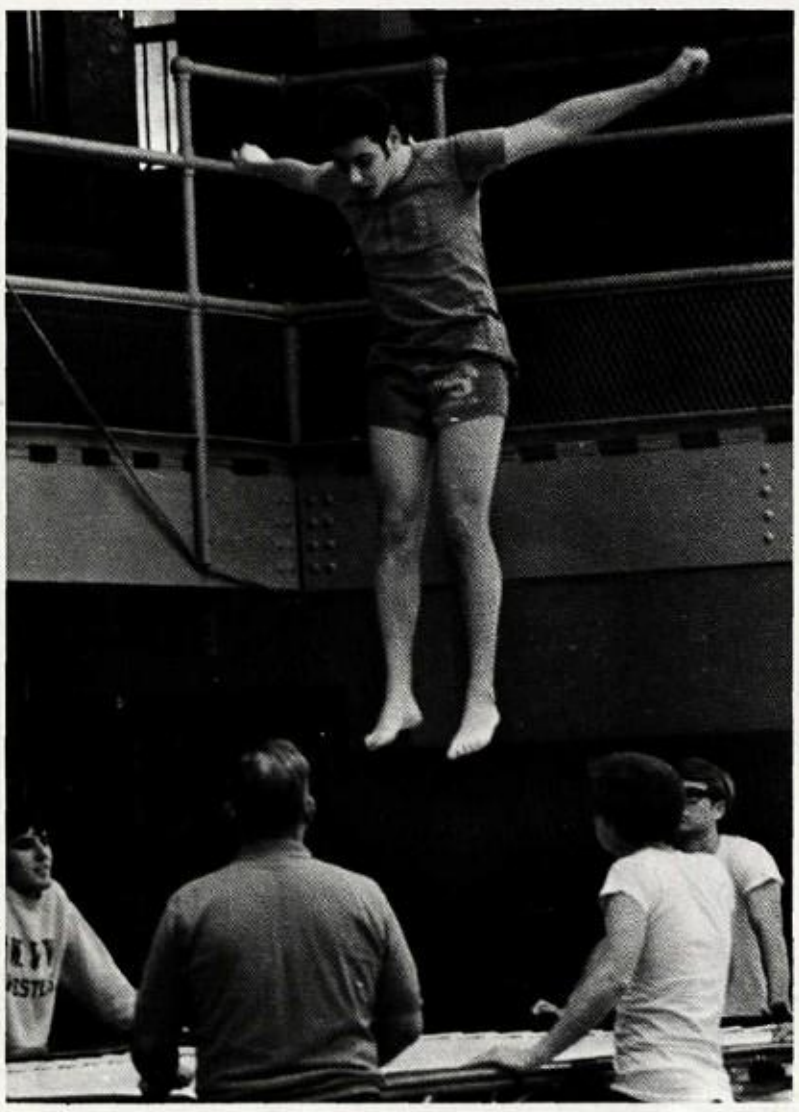
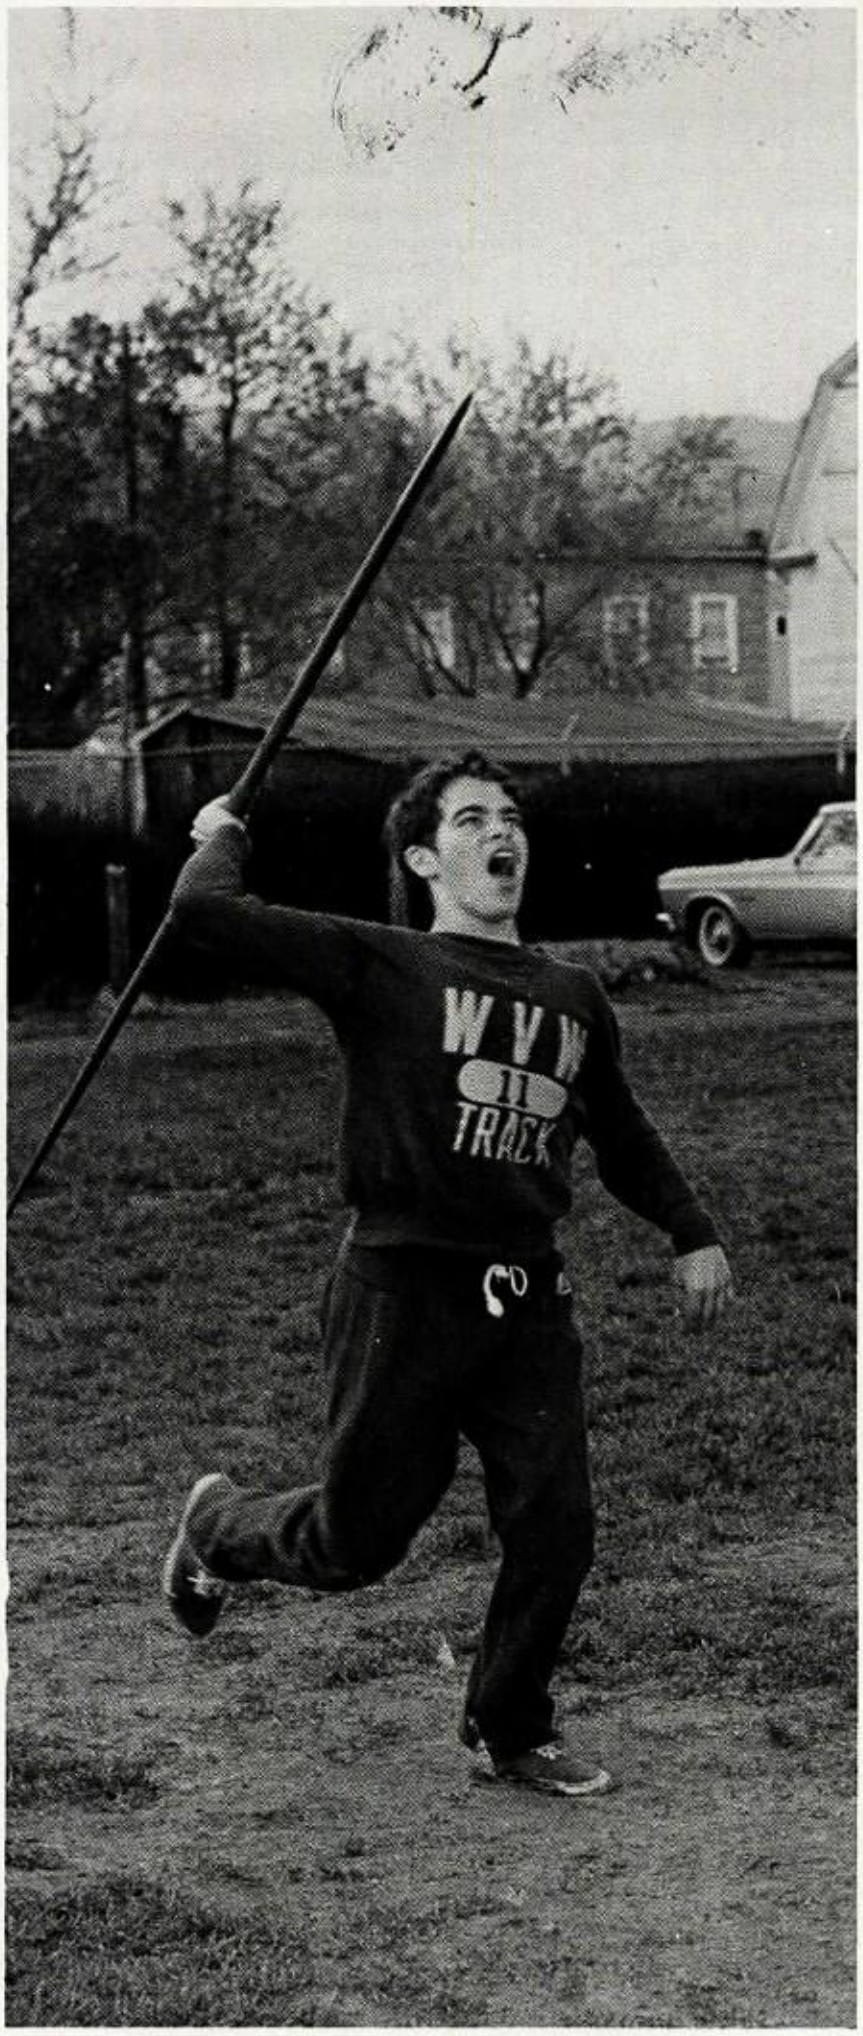
There are many aspects of school life a yearbook must try and capture. It must evoke memories and thought; it is a story in pictures of the student's life through . . .

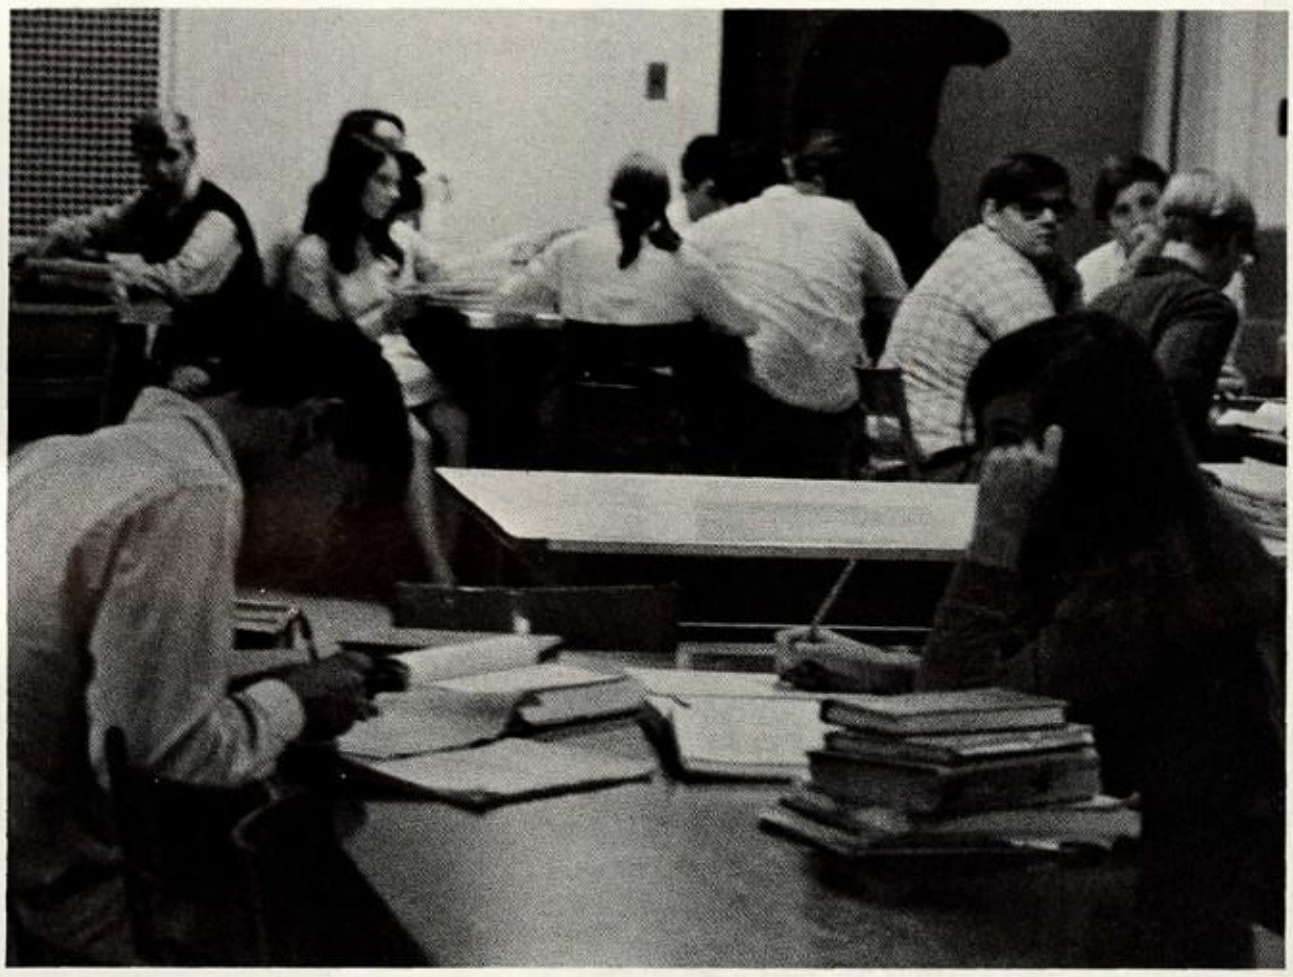
INVOLVEMENT . . .

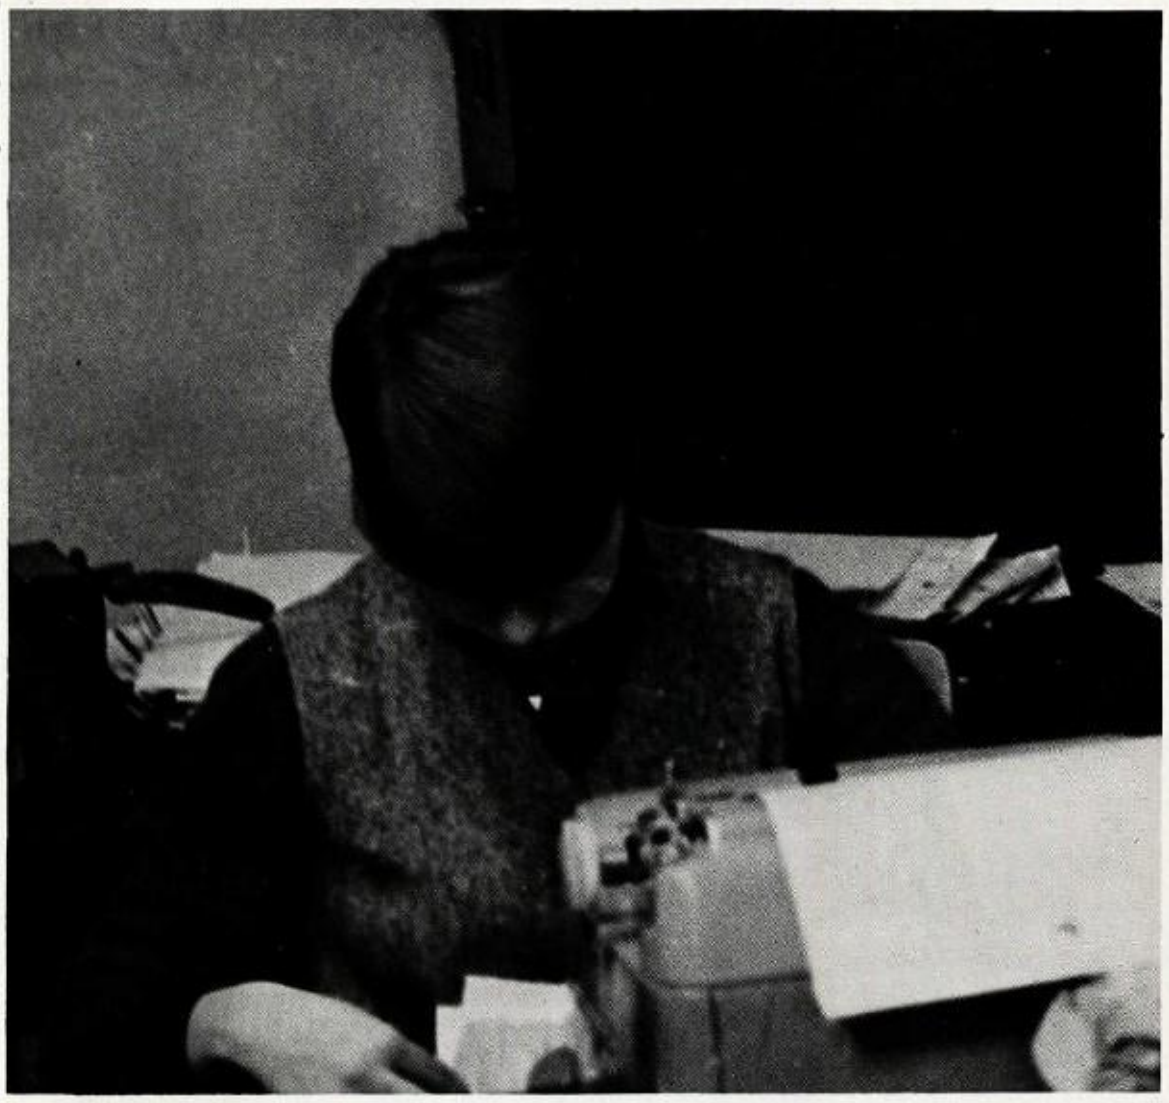
. . . a path to growth, self-fulfillment and fun . . .









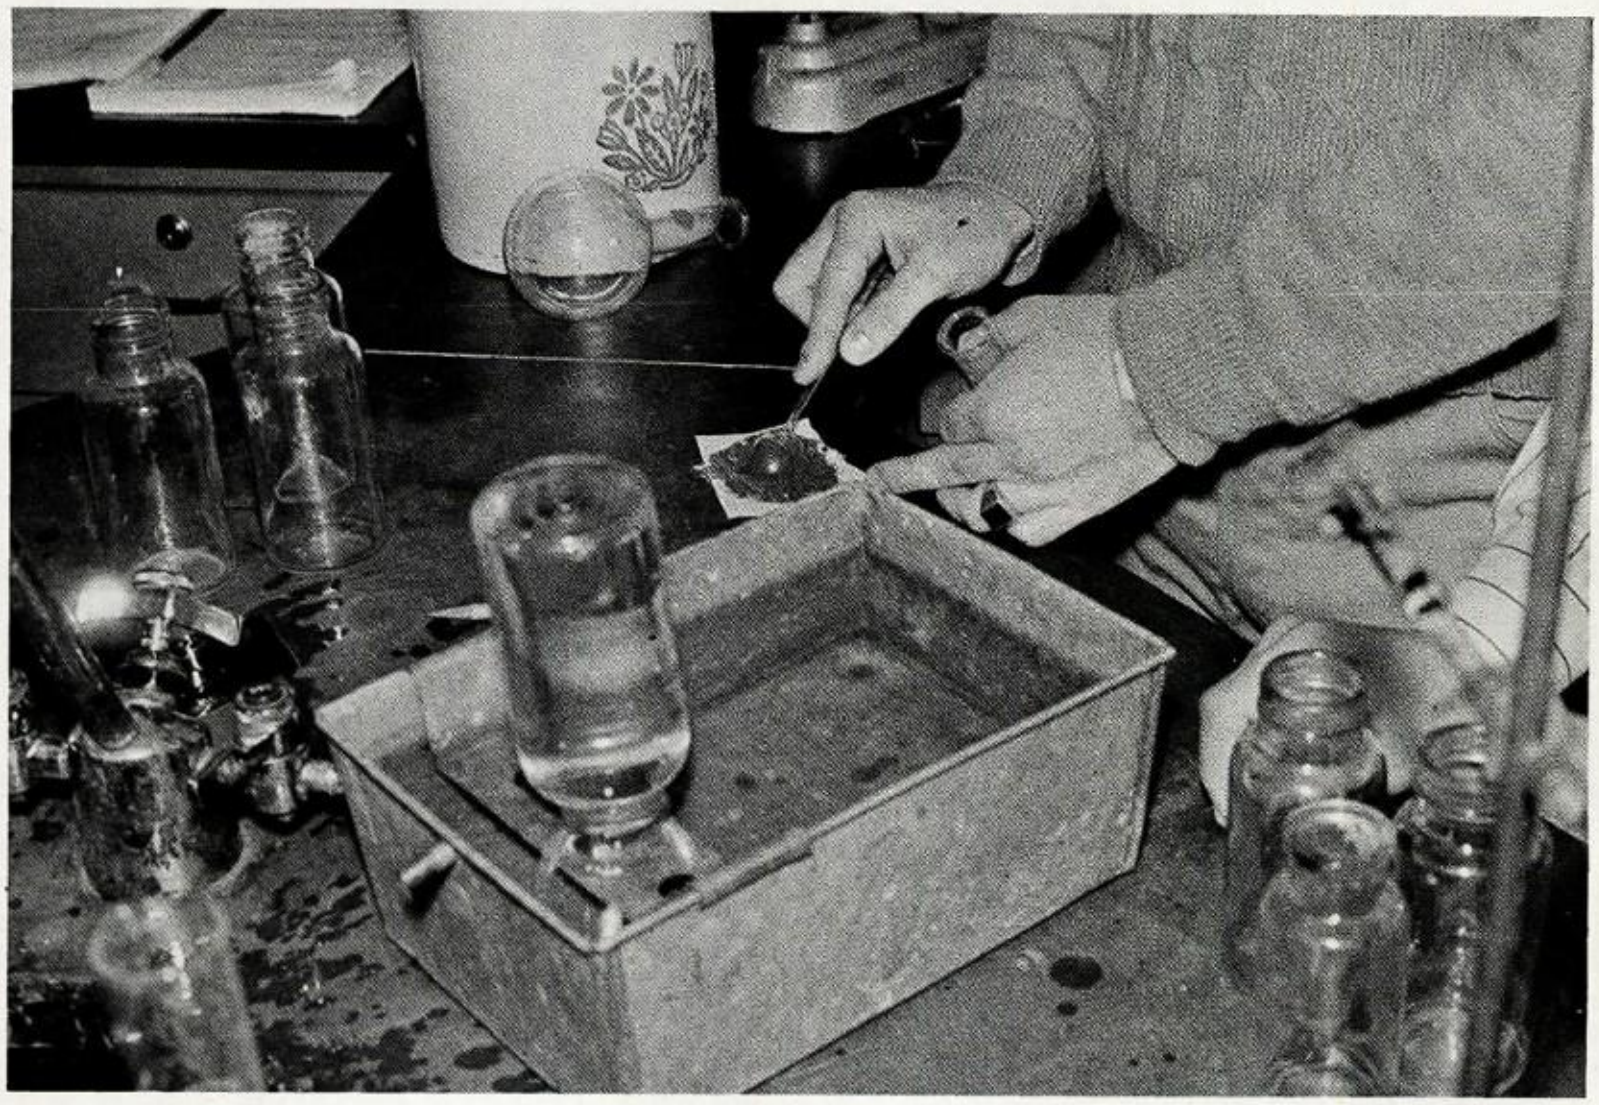


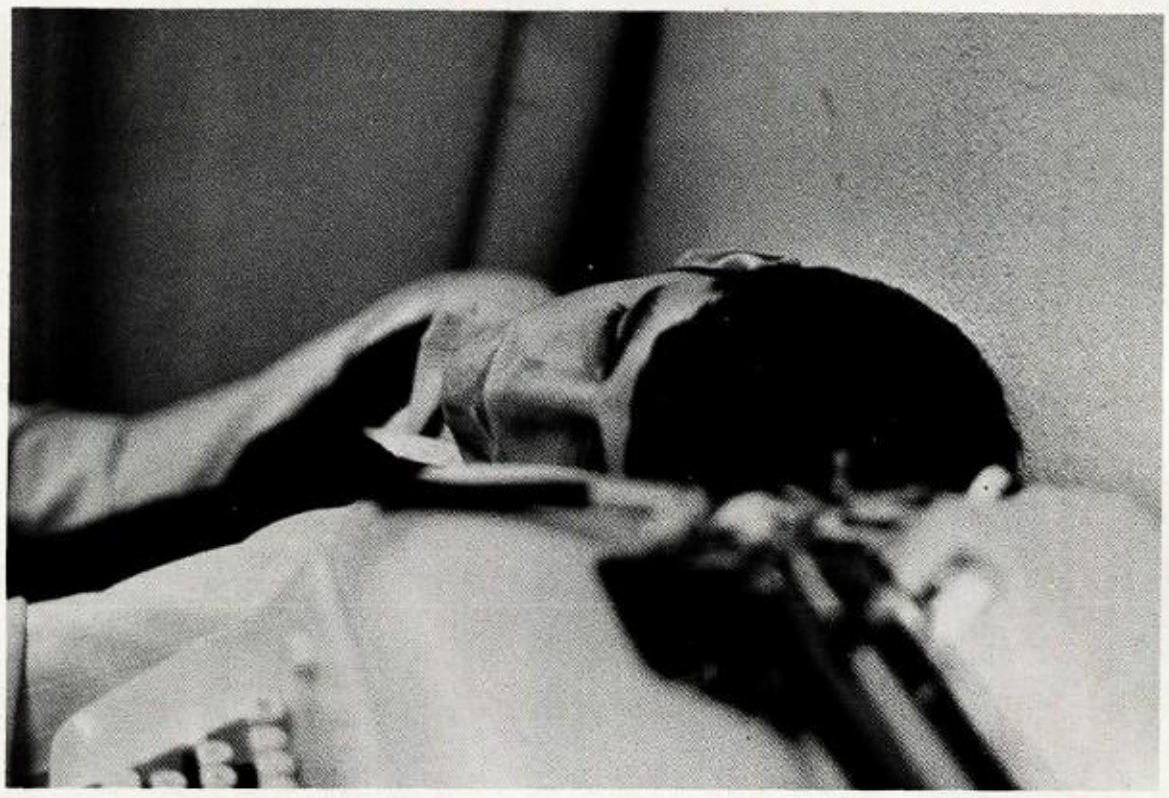
CONTEMPLATION . . .

. . . thoughtful study and the awakening of ideas . . . creativity . . .

KNOWLEDGE . . .

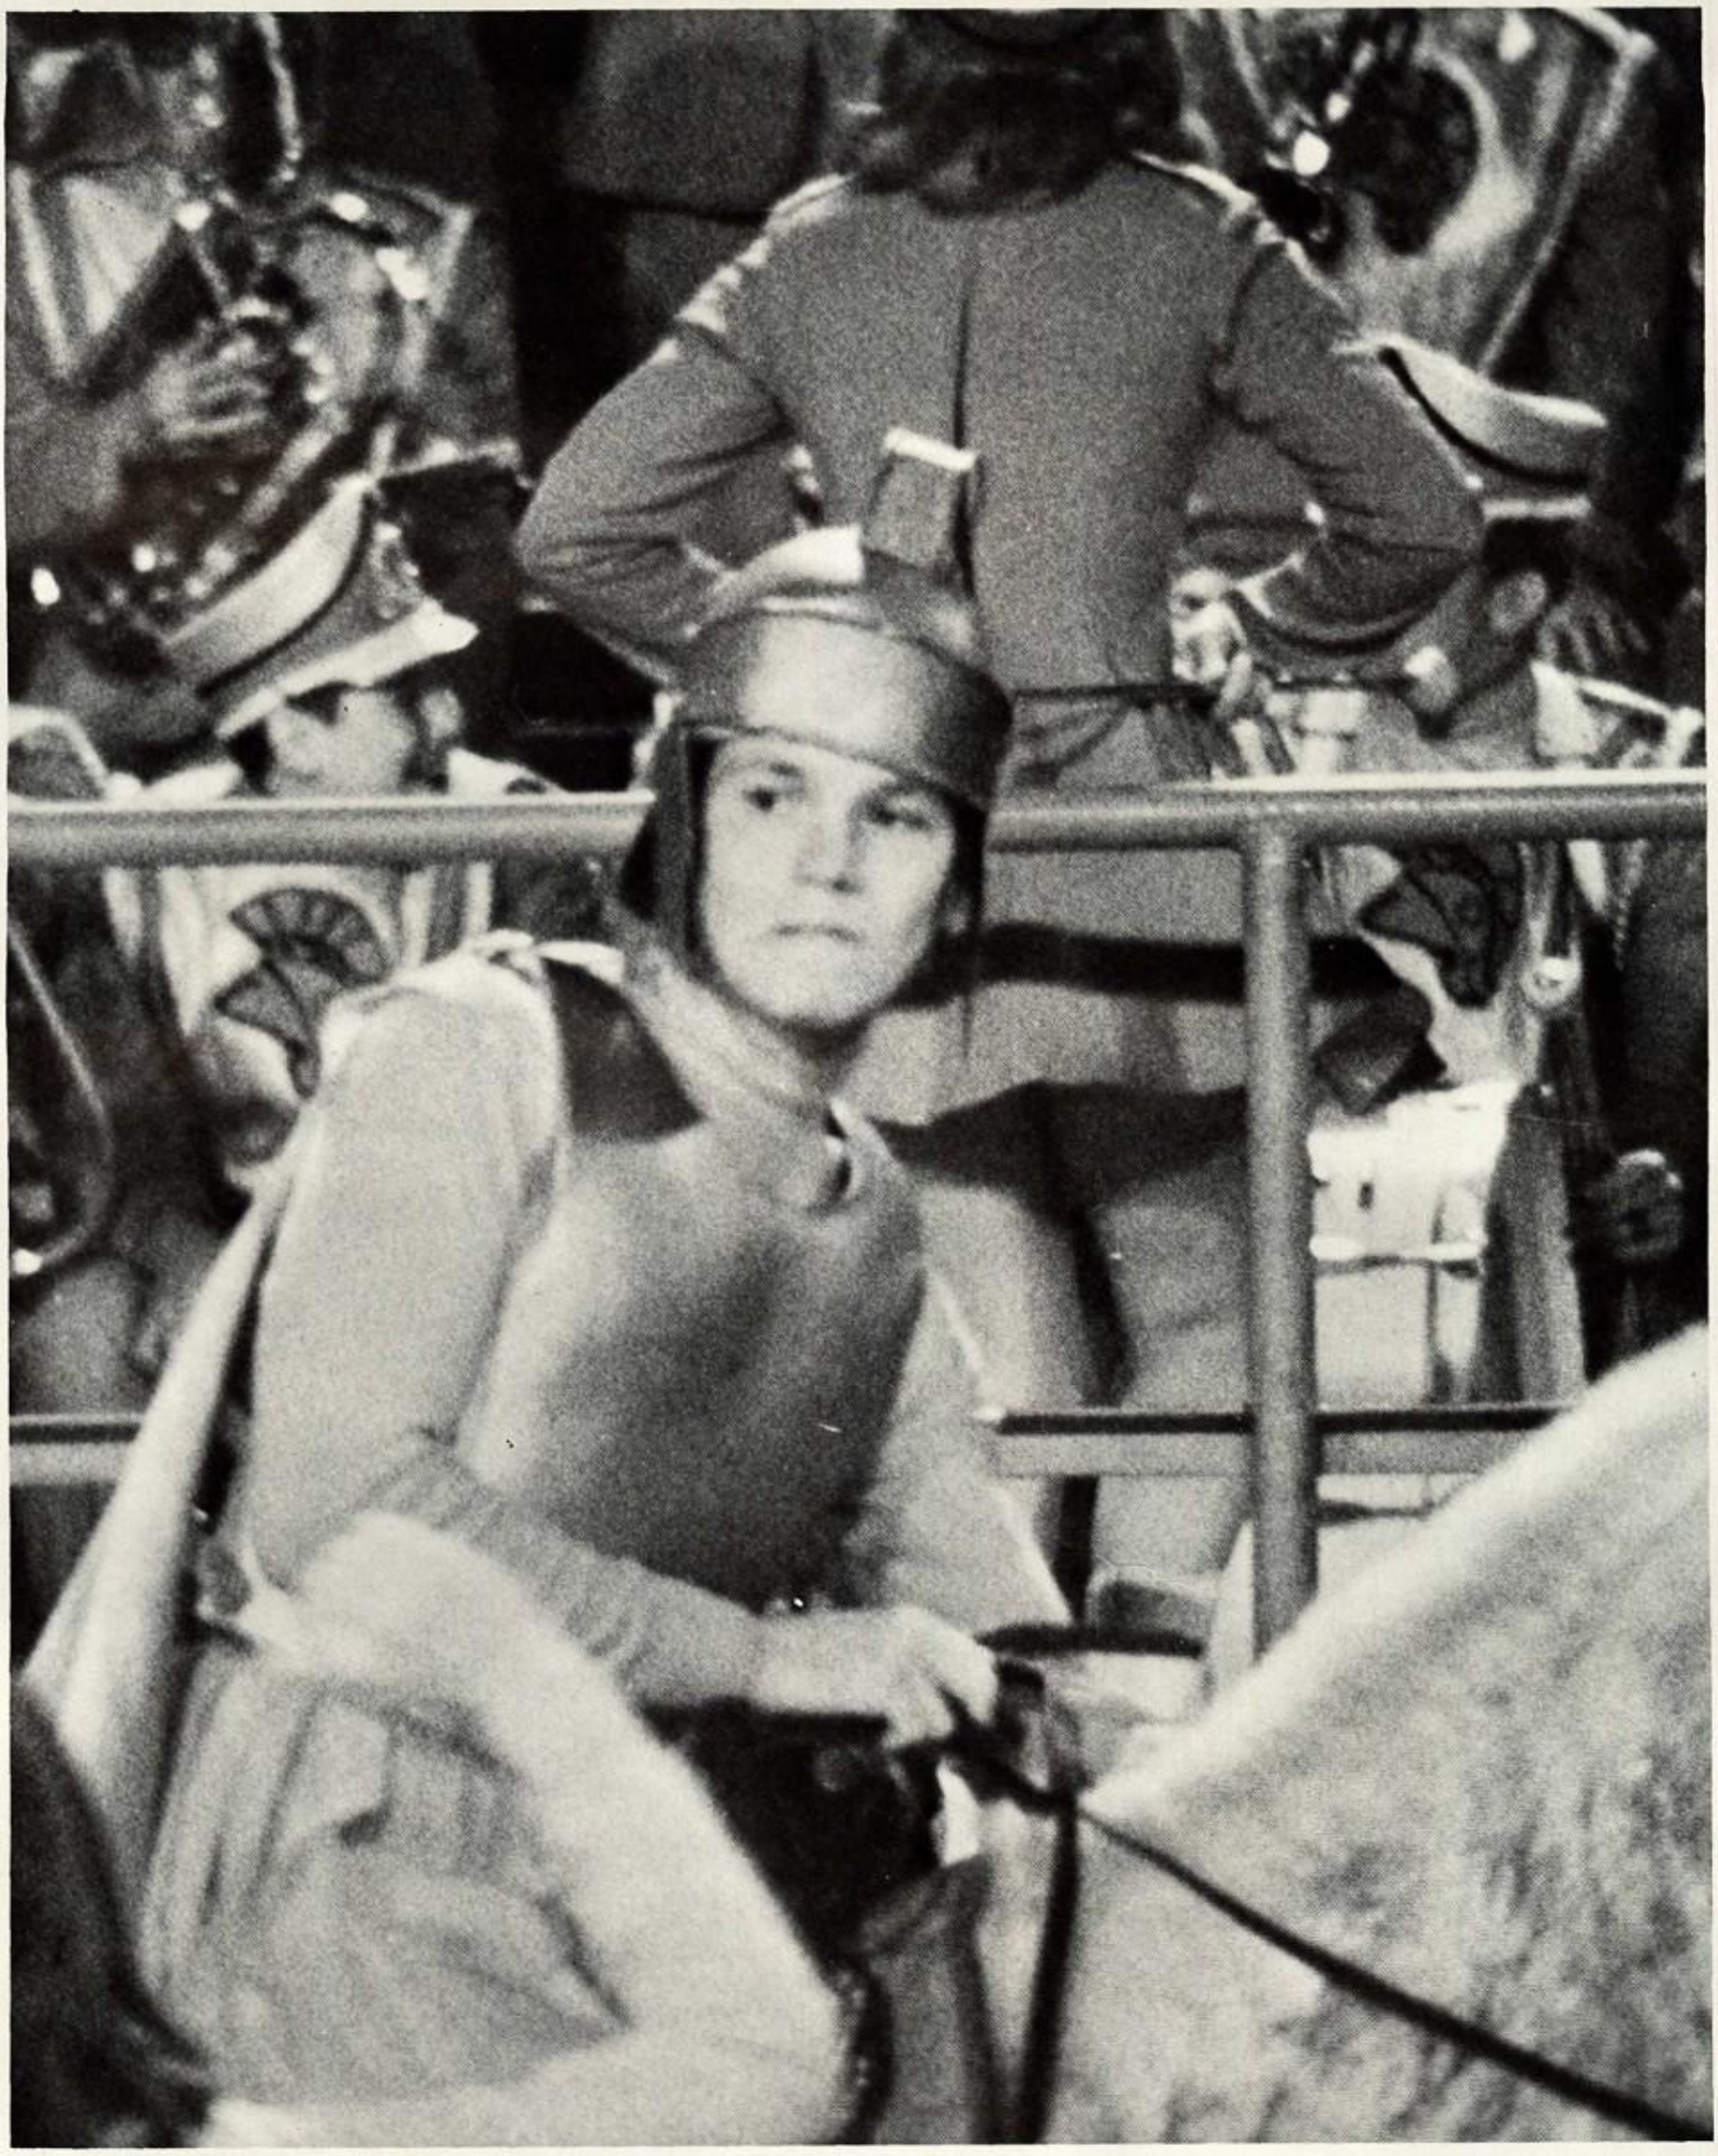
. . . the realization that you have given and received . . . you have challenged and been challenged . . . that you havegrown . . .

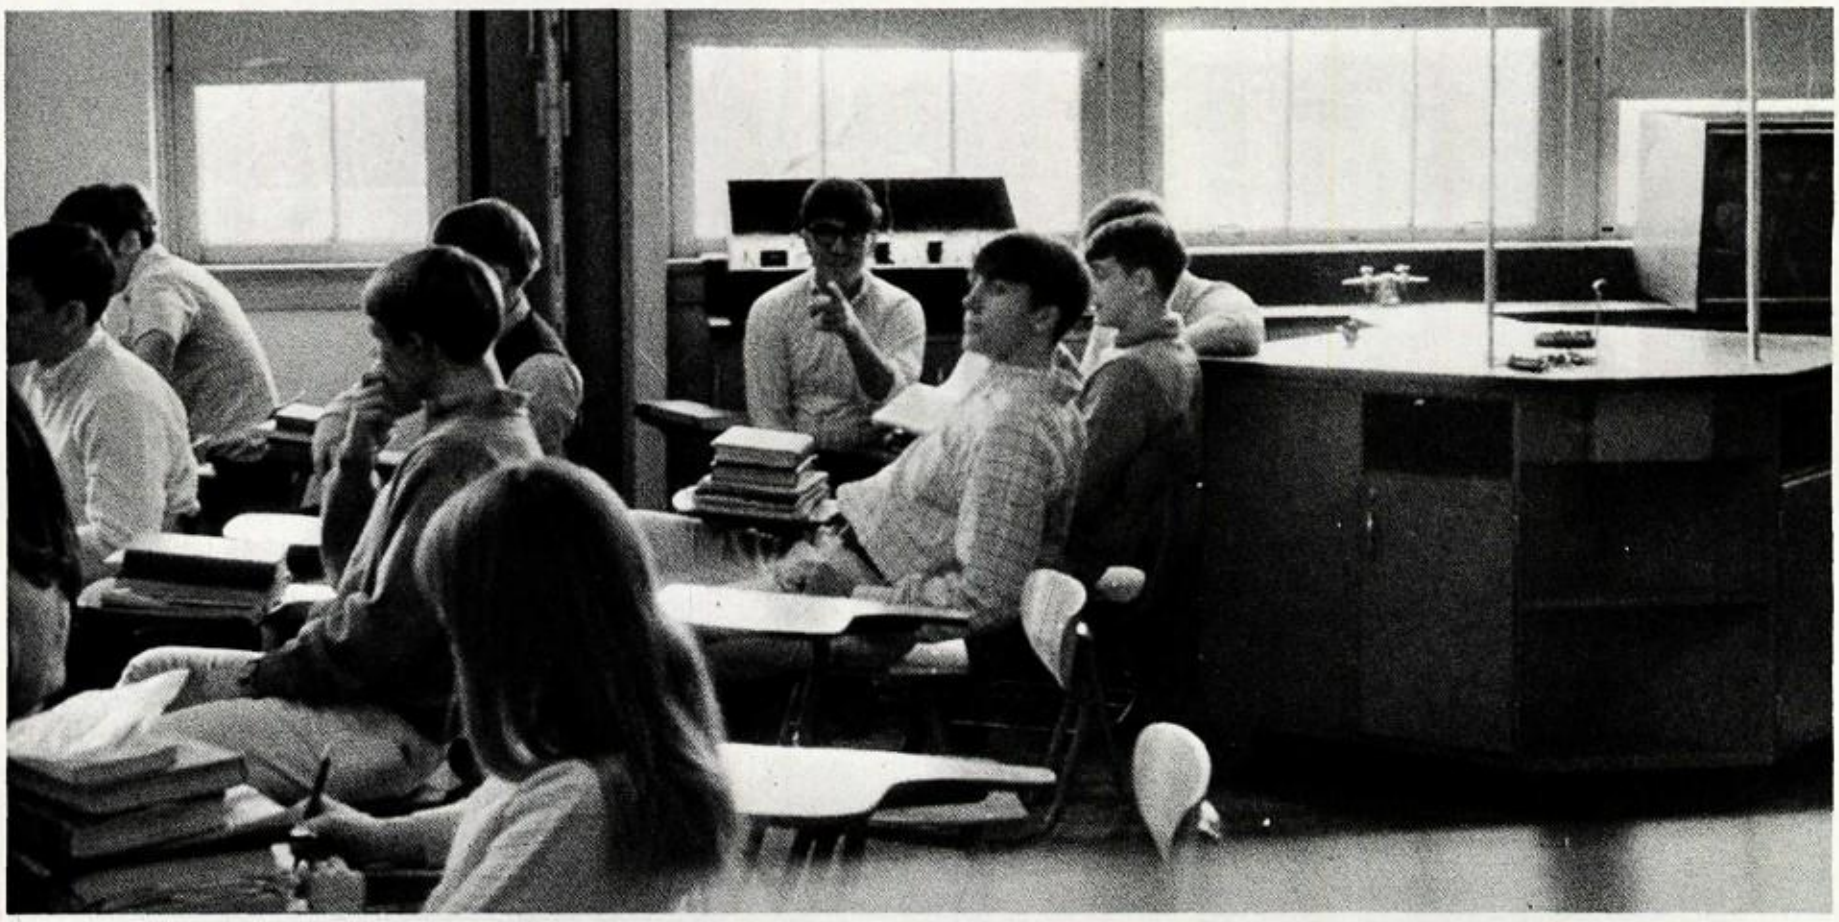


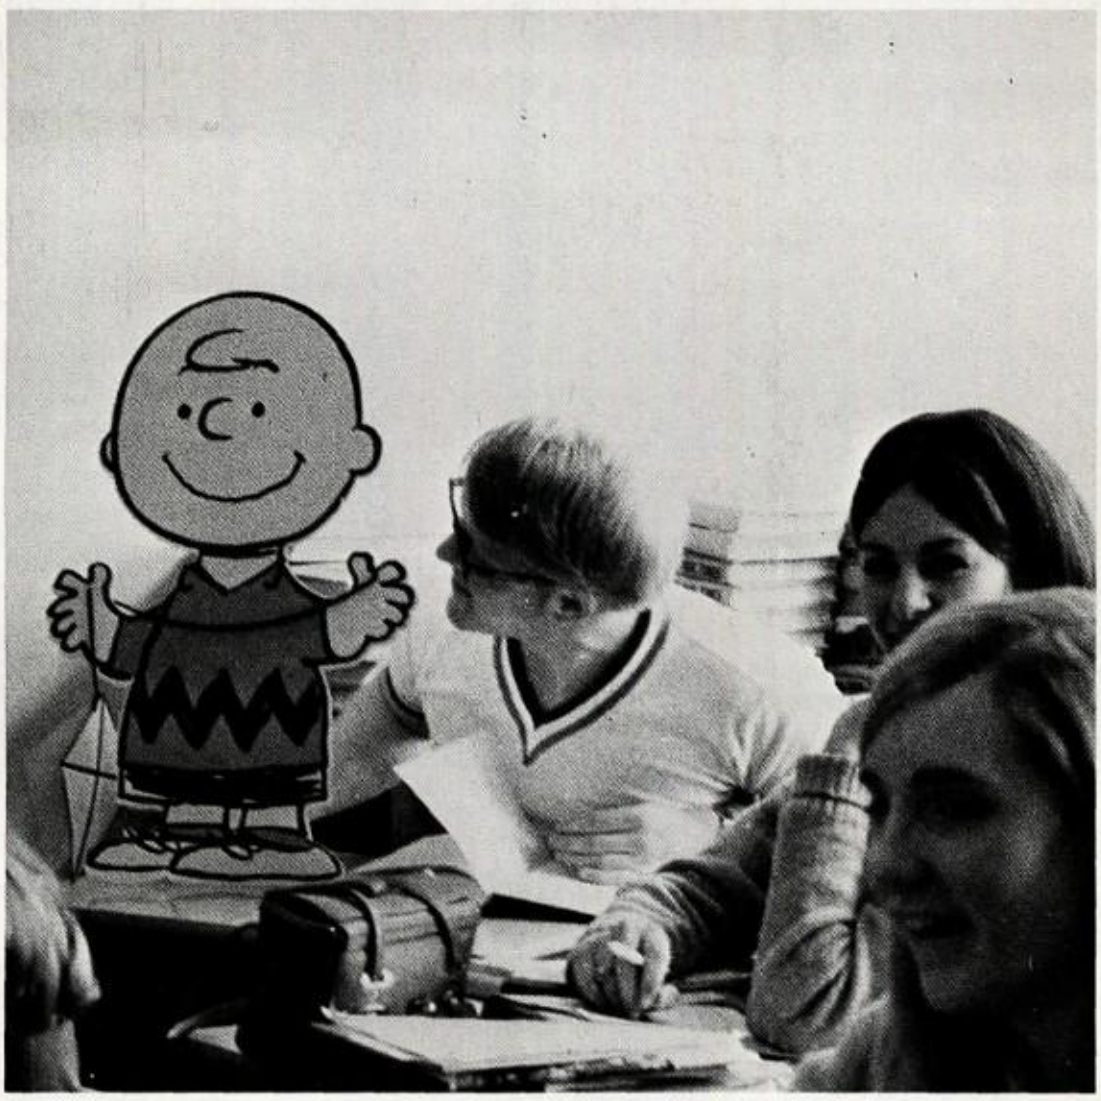


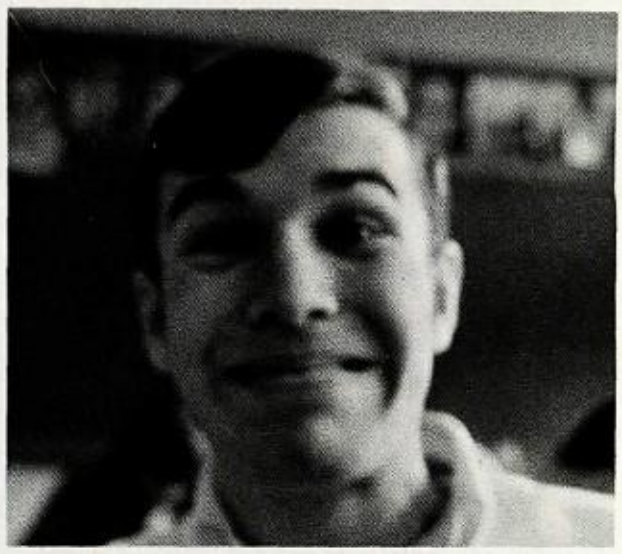
EMOTION ...

. . . sometimes a sense of loneliness . . . excitement and tension . . . weariness and wondering if it was really worth it . . . happiness and laughter . . .

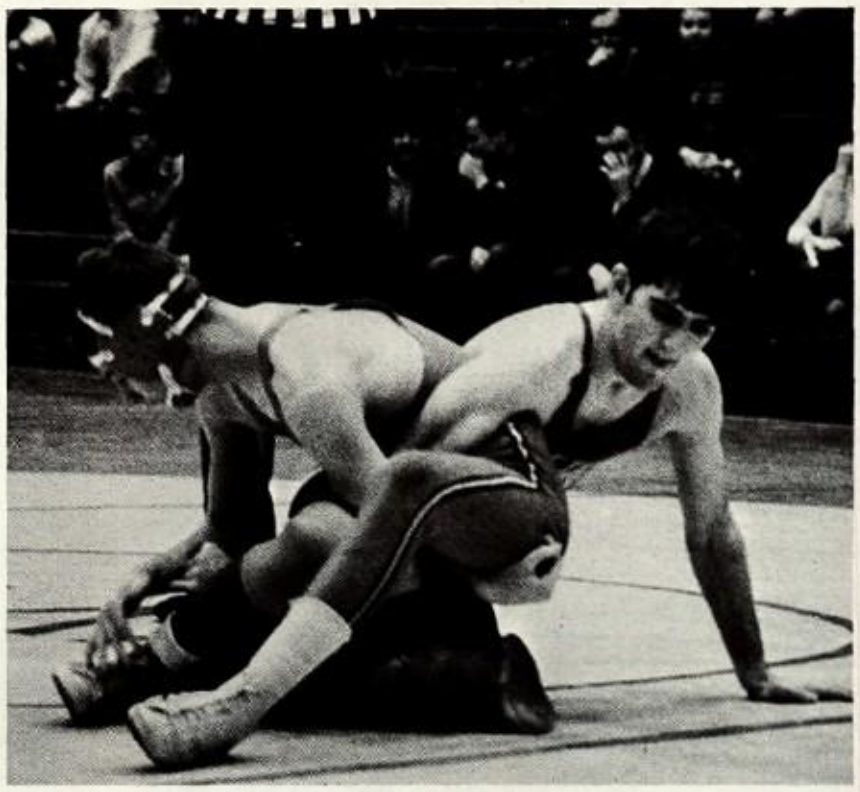








GROWTH . . . of spirit . . . of knowledge . . . of friendships . . . of personality . . .



. . . it is all here for a time, but we must take advantage, enjoy it, for then we are gone . . .

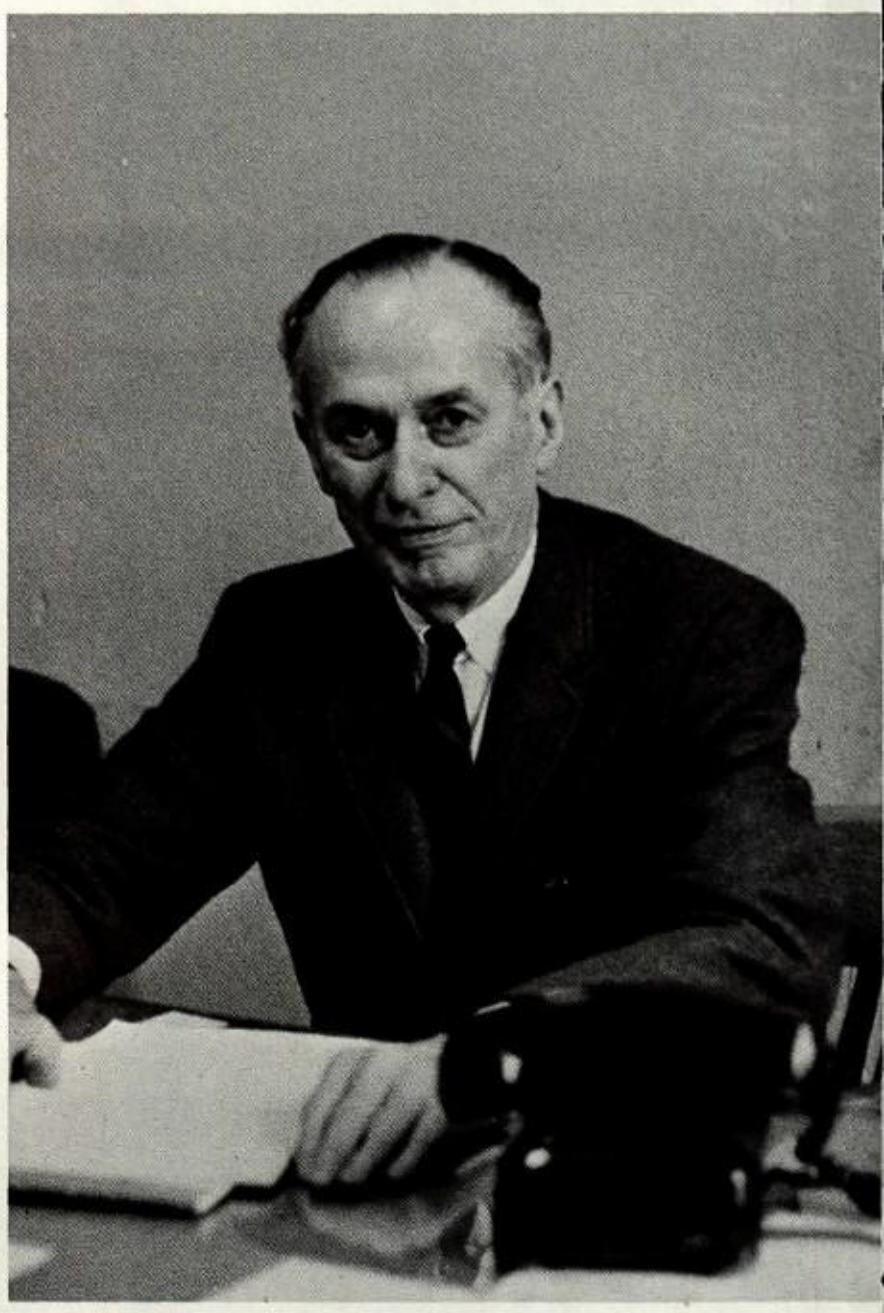
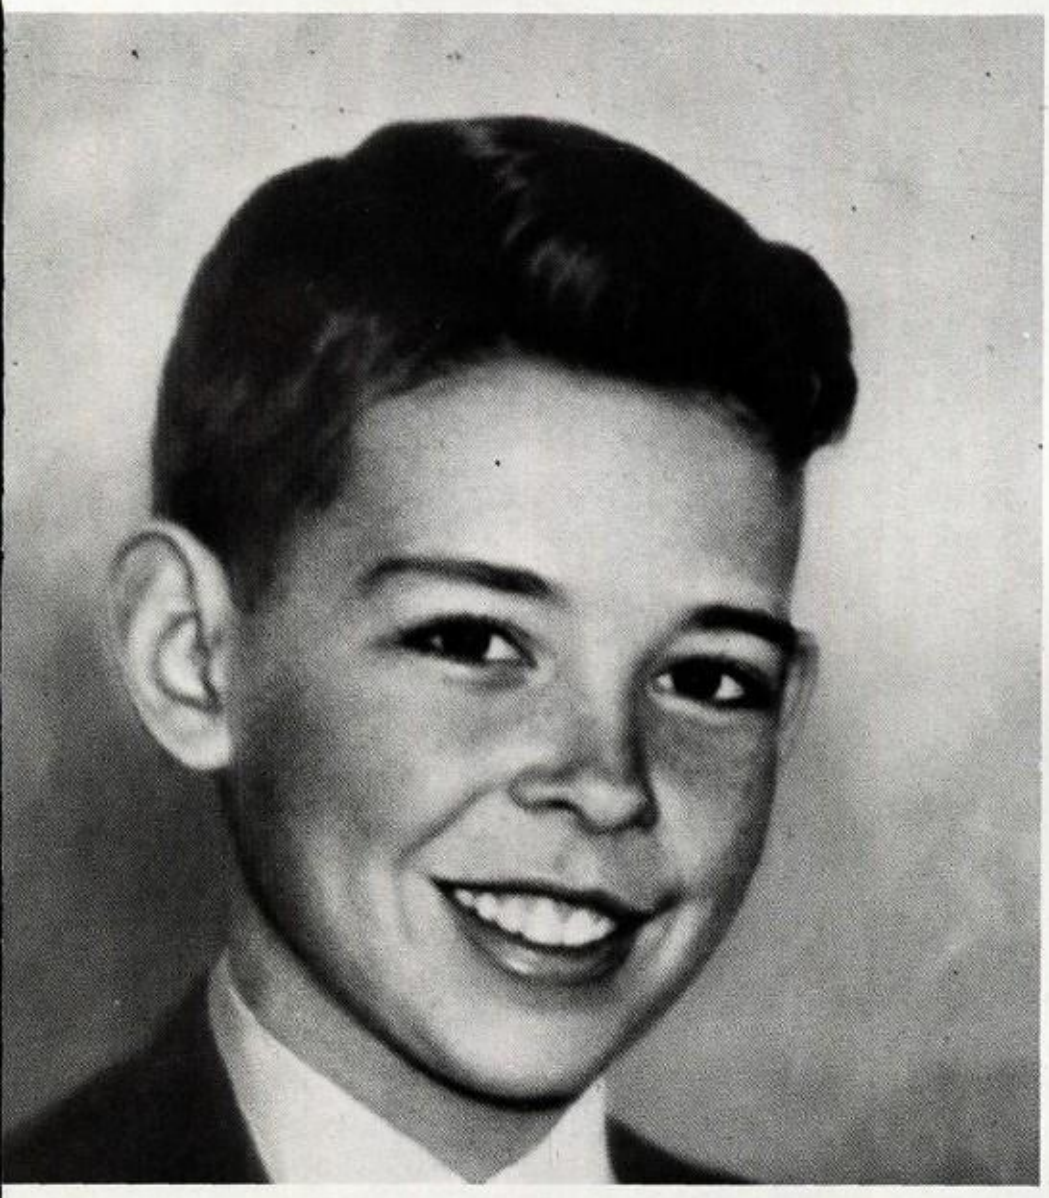
In Memoriam

Mr. Boyer was a popular faculty member who dedicated his life to boys and girls. His accomplishments were many and varied; for these he was respected. It is the warm glow he left in the hearts of those fortunate enough to have known him by which he will be remembered.



Clyde Boyer

Daniel S. Wilcox III



On October 2, 1963,
the CLASS OF 1969
lost a classmate,
Danny Wilcox.

It could be said that
Danny was popular, bright,
handsome, and athletic;
but this is not necessary.
A glance at his portrait
tells the story.
It will also make it
easy to understand why
Danny's memory will be warm,
living, and poignant.

Howard Brodhead

It was a shock to
his fellow classmates,
the CLASS OF 1969, in
July, 1966 when it was
learned that Howard
Brodhead had passed away.
He was known by his
classmates as a fine
student, a wonderful
person, and a very
talented musician.
Howard
will not be forgotten.

ADMINISTRATION

Superintendent

To the Class of 1969:

My sincere thanks for your many contributions to the progress of WVW. Over the past three years you have been called upon to make many adjustments to your new school situation. We are all proud of the fact that you have helped make this new school district a model which others are already looking at with envy.

I wish for all of you a future filled with health, success and happiness.

TO EACH GRADUATE OF THE CLASS OF 1969:

Congratulations upon your graduation from the Wyoming Valley West High School!

You are enjoying one of the greatest privileges and blessings—that of being an American and living in the greatest country, the United States of America. Our country believes that Education must be available to all; America believes also that those who have the ability to continue their education have also the obligation to continue their education to prepare for positions of leadership.

One of the purposes of your education thus far has been to help you in your journey through life. One of the most challenging tasks of our nation is to persuade capable students to enter college or university. Those of you who have the necessary qualifications to be admitted to college should enroll in higher education, for we need doctors, lawyers, teachers, and engineers. Those not included in this group still have your obligations to society, for we need carpenters, mechanics, plumbers, machinists, and technical specialists.

Because education has a great responsibility toward the future of America and mankind, your opportunities of this Space Age will be unlimited.

Graduates, believe me when I say that each of you is an important member of society and each one of you has the ability to excel in some phase of life. I earnestly urge you to plan now to take advantage of the many opportunities that will be yours.

Thank you for your splendid cooperation and support of Wyoming Valley West.

To each of you—my best wishes for a successful life filled with good health and happiness.

Sincerely,

Benjamin J. Davis

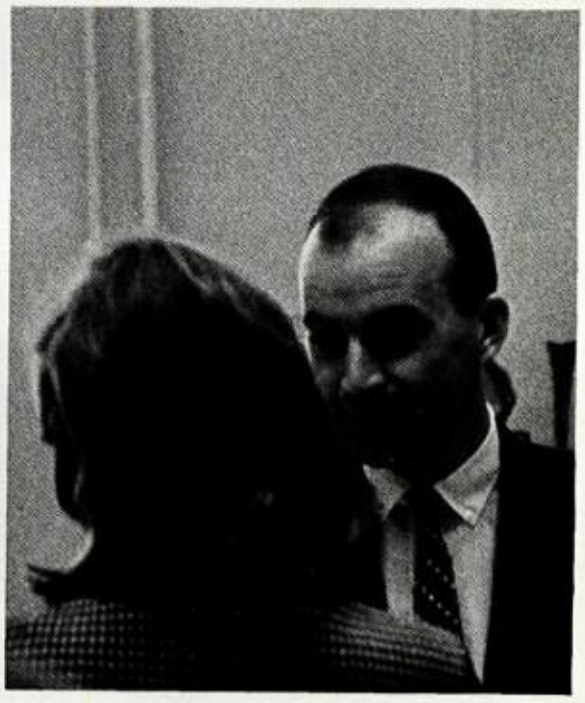
MR. JAMES F. FERRIS



Congratulations to you, the Class of 1969, upon your graduation from Wyoming Valley West High School. We are extremely proud of your many fine achievements during the past year.

I am indeed grateful for the cooperation the students have given regarding the many school projects and activities.

May I take this opportunity to wish each member of the graduating class good health, happiness, and success in the years ahead.

Sincerely,

James F. Ferris

Faculty

One of the most difficult jobs in the world is that of a teacher. Their interest in us seems out of proportion when one analyzes their rewards; for the most part, their dedication goes above and beyond. They guide and they teach, imparting to their students their own knowledge and experiences hoping that the students will retain what they have been taught and learn to think for themselves. Their job does not end with the last school bell, for many of them spend long hours coaching athletic teams and heading extracurricular activities. Where do they find the time to be with their families?

In Wyoming Valley West we are very fortunate to have, for the most part, a very good faculty. With such an expansive curriculum as ours, it seems as though it would be difficult to obtain enough teachers. Yet little do we, as students, realize the true educational backgrounds of the men and women who teach us. Most of the teachers have their master's degrees, and many more are working on doctorates. Not only do the teachers themselves benefit from this, but the students as well, for they are receiving free what the teachers have paid for. We also sometimes fail to realize that as teacher qualifications rise, educational standards in the schools rise as well. We would like to thank these men and women for their dedication and service and for being teachers.

To believe, to love, to trust. What does each of these phrases mean? Do we really know the definition, the feeling of each? They can be described very easily. Each simply means "to know," "to be sure of." Ours is a world of uncertainty. In these times, when the instant annihilation of all is very much a reality, we must learn to know, to be assured. We have very little to be sure of, and thus we have difficulty in comprehending these words and even more difficulty in using them. The endless toil of each individual towards the noble goal of peace is the only answer that will enable us to rebuild a world where once again we can believe, trust, and love.

—R. C. S.

Student Council President

THOMAS E. OLIVER

I sit and listen, listen to music made possible by our times. How lucky I feel to be able to listen to a song, lighted candle beside me and memories of other songs I've heard: the songs of progress. The realization of people ... that's progress. All learning ... that's progress. Birth ... that's progress. Concerning yourself with problems ... that's progress. An H-bomb that doesn't work ... that's progress. People that are talking and also listening ... that's progress. Humane governments ... that's progress. Humane humans ... that's progress. Freely admitting progress. Not needing ABM ... that's progress. Having a friend ... that's progress. Asking questions ... that's progress. Answering them ... that's progress. People, neither become overimpatient nor apathetic when we are fighting for something that we know needs improving ... that's progress!

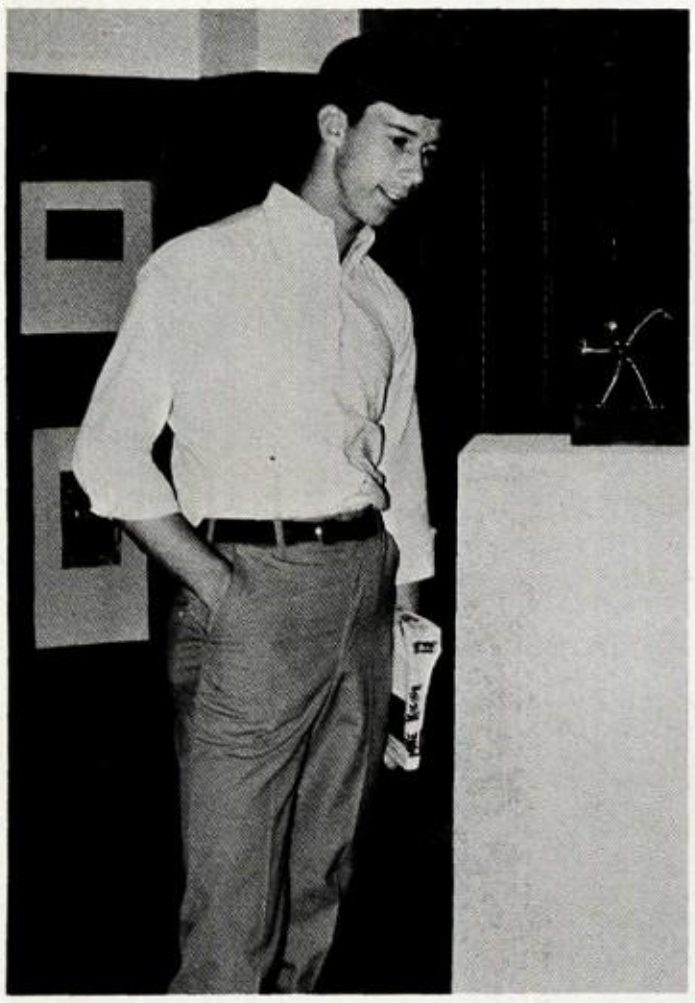
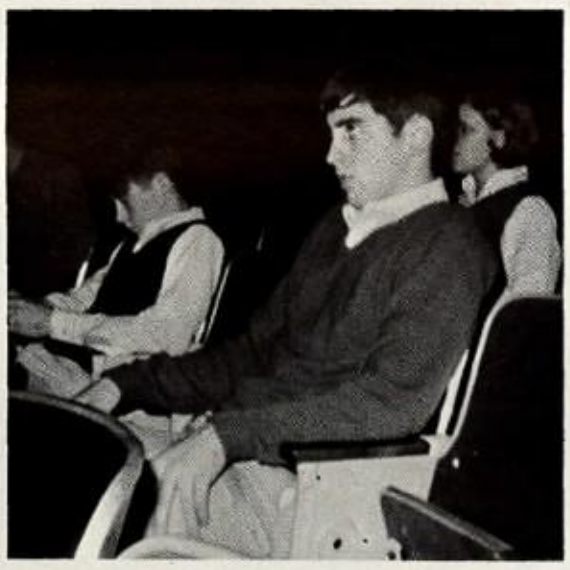
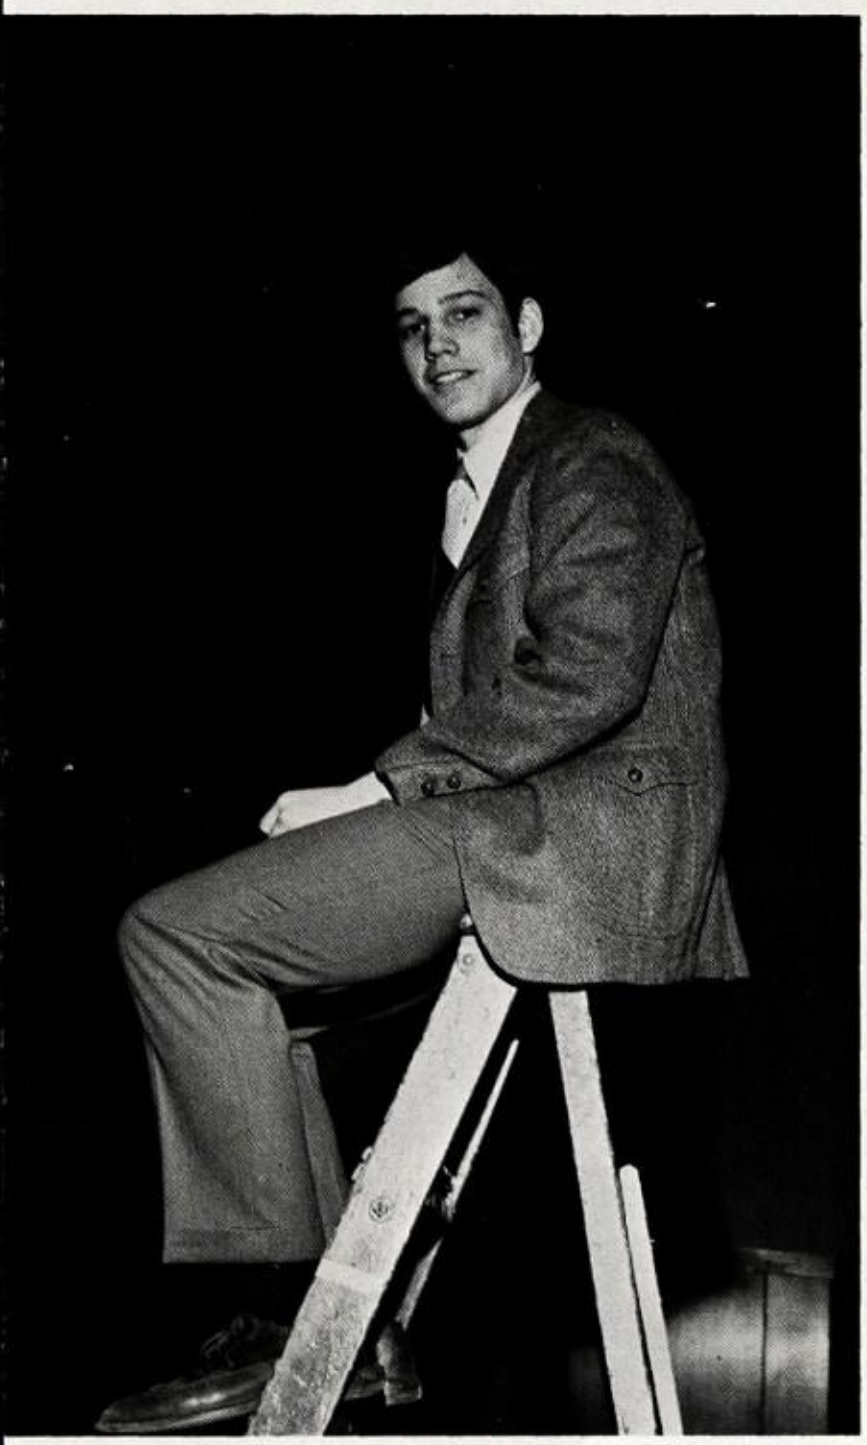
SENIORS are a unique group. They are caught

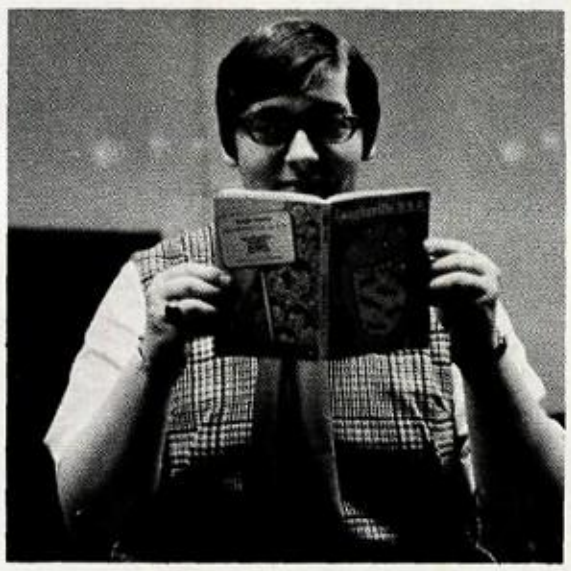


in a transitory stage
between high school

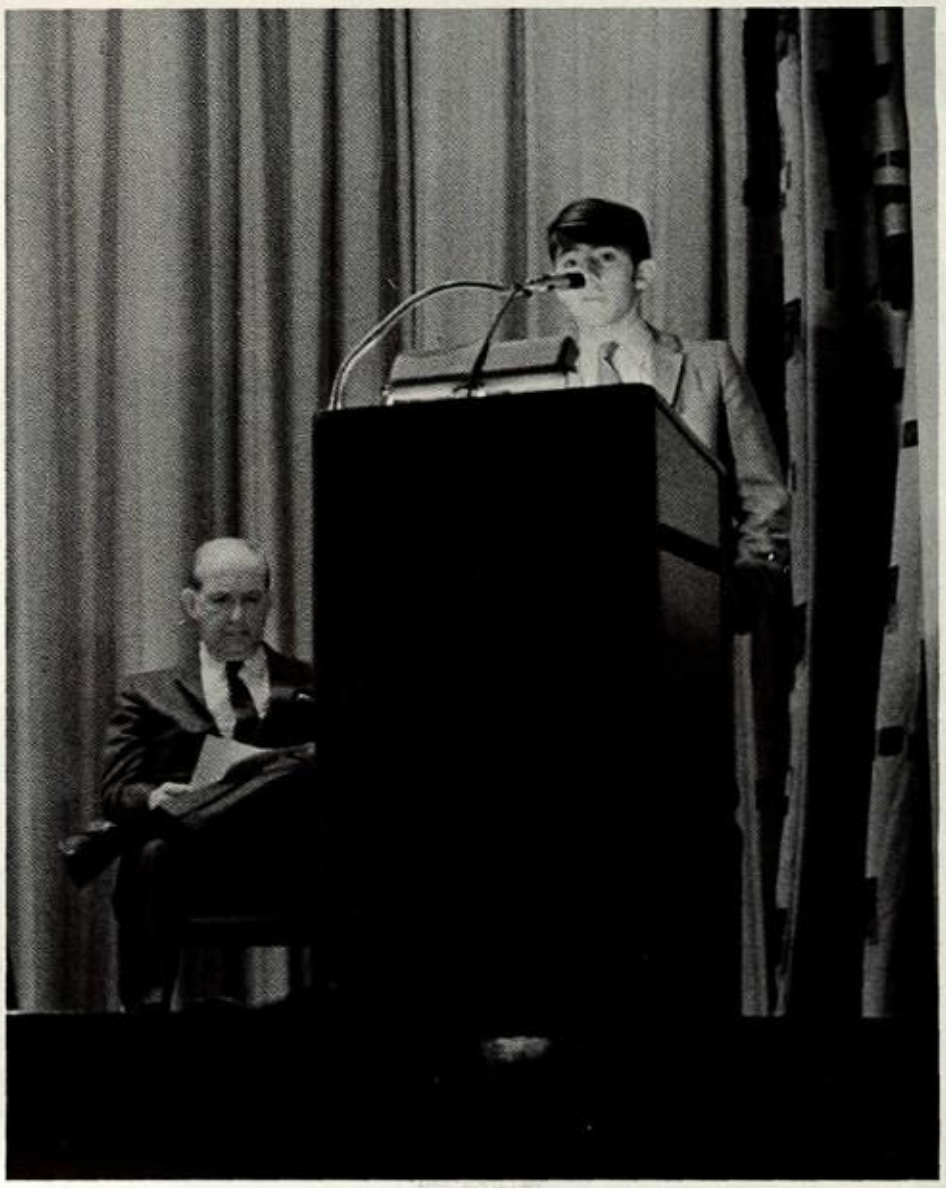


and college. They
will soon be gone.

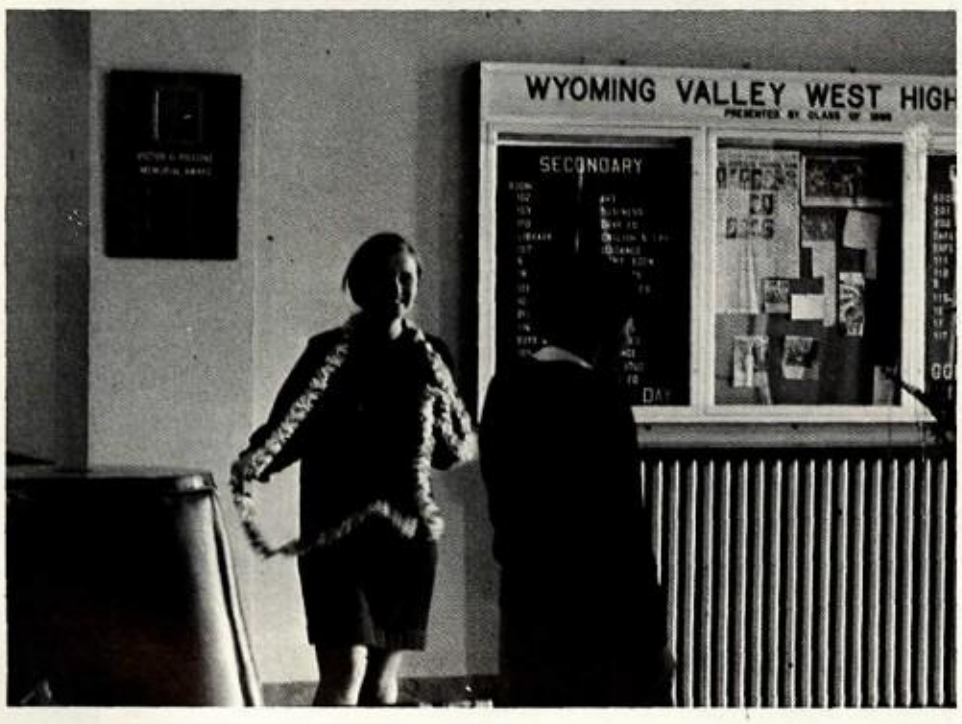


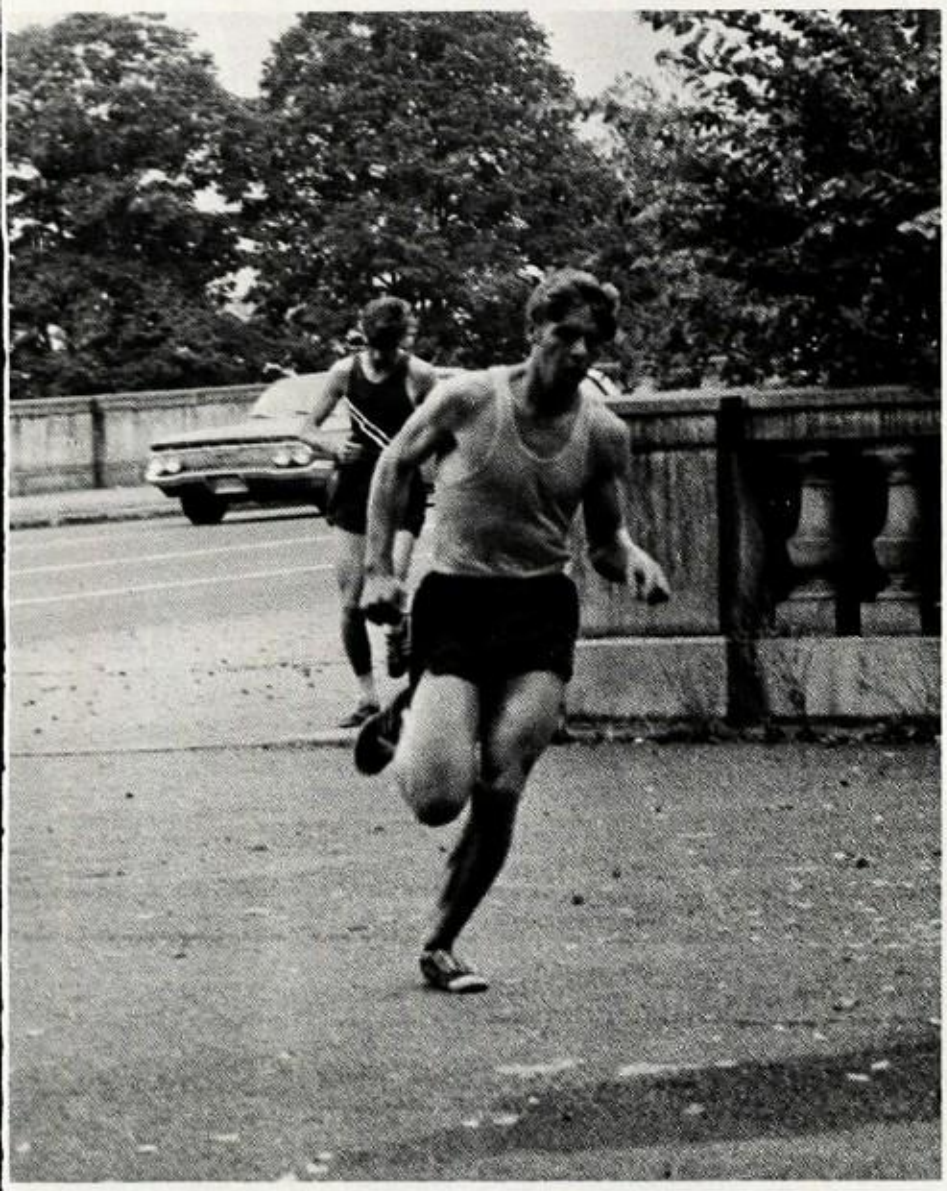


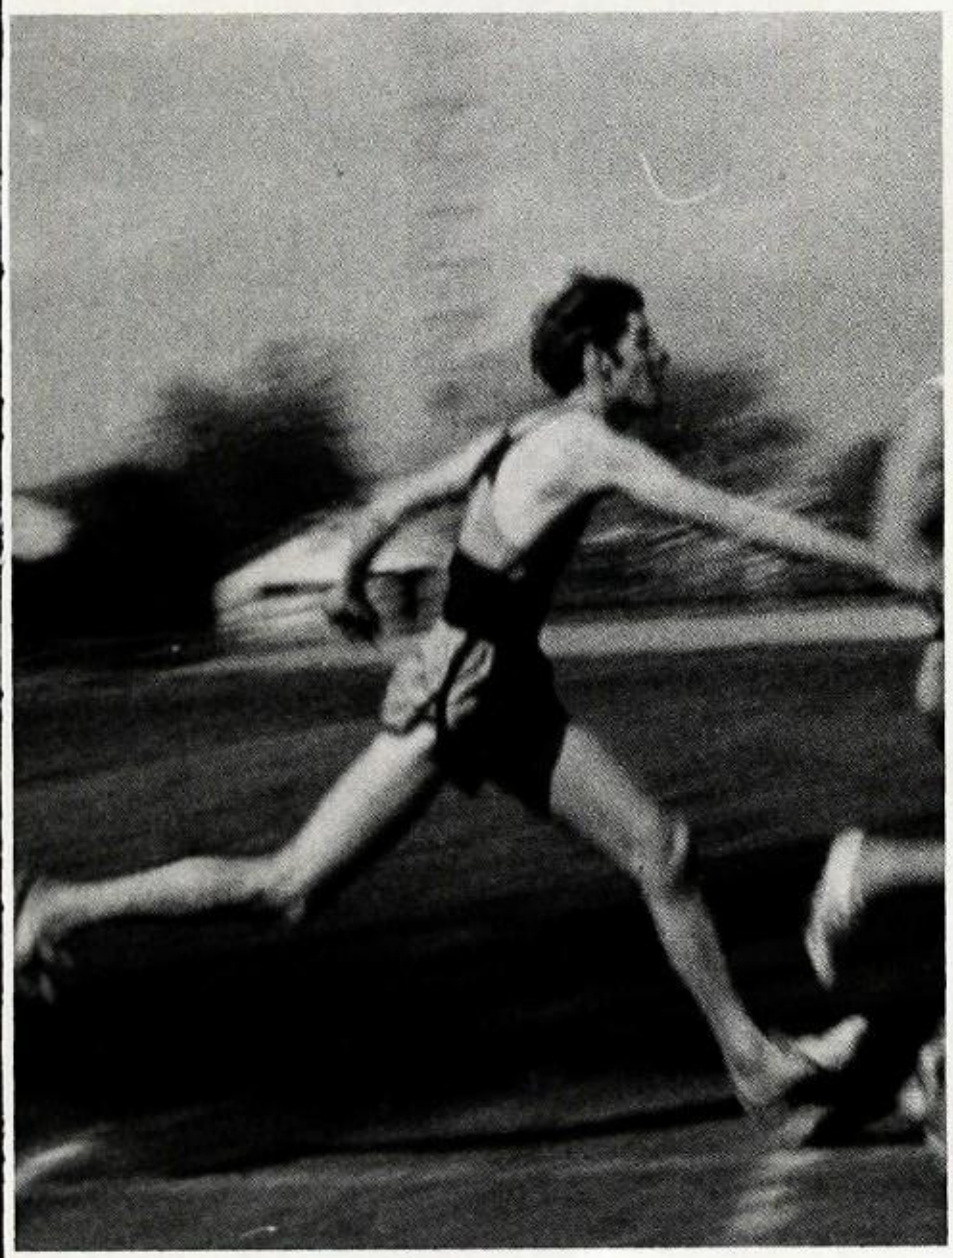
We must not forget
the friends we



made, the good times . . . the bad. In the years to come







we will look back, and these are the things we will remember.

Exchange Students

The Rotary Exchange Program which sponsors young men and women both here and abroad is an extremely worthwhile program. It affords an opportunity for students who are interested, to study intimately the customs and languages of other countries. The experience gained from the student exchange program is invaluable, for it adds the kind of perspective that enables one to understand more readily his fellow man.

Dear Friends,

I would like to take this opportunity to express my appreciation to all my friends and members of the faculty of Wyoming Valley West High School for having been so nice to me this year. I wish every one of you success and luck in the future.

I will be remaining in the United States for the next four years to attend Manhattanville College in New York. You can be sure, however, that I will never forget this lovely short time that I have spent with you all.

Love,
Georgia

Dear Friends,

The first day at Wyoming Valley West, I remember how much I was confused. I couldn't find the classrooms, I tried to open the wrong locker, and I didn't know what a "B" schedule was. But in a few days, I got used to it with your help.

When I close my eyes, I can see many friends and teachers, the classes that I had, the exciting football games, and the scenes from "Camelot." They come up one after another.

I'm so glad to have been an exchange student at W.V.W. You have been so nice to me, and I've enjoyed so many things with you. I have to take two more years of high school when I get home, but some day I want to come back.

Sincerely,
Tomoko Hongo

Dear Friends,

It is sad to say good-by to all of you at this time. I really appreciated being a student here at Wyoming Valley West for a year and it was an experience I will always remember with enjoyment. It is unbelievable how much a year in a foreign country can deepen one's thoughts.

After school at home, I plan to go all around the world and I especially want to come back to the United States and Wyoming Valley. See you then.

Sincerely,
Amelie Koch

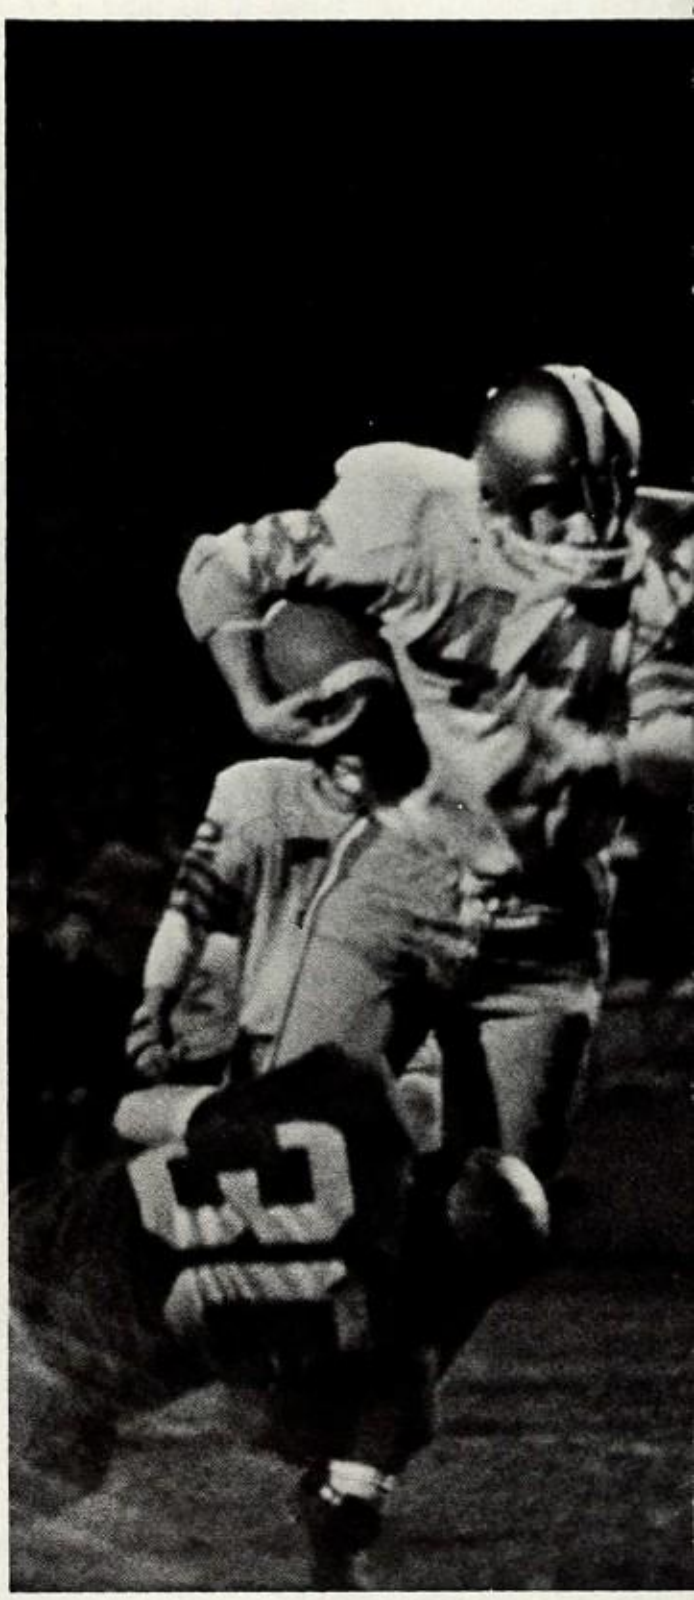
Our Wyoming Valley West gridders completed another successful campaign under Head Coach James Fennell. Considered one of the finest squads in the area, the Spartans combined teamwork and talent to cop second place in the Wyoming Valley Conference.

Dropping a non-conference opener to a tough Allentown eleven, the Spartans bounced back to clobber Dallas 47-6, only to lose a squeeker the following week to non-conference Berwick 14-7. West Side Central Catholic showed the value of desire and added to Spartan misery with a 26-0 shutout.



Spartans Cop Second Place

Finally starting to jell, the Spartans engineered a pair of wins, defeating Lake-Lehman 27-14 and Plains 46-0.

The next game proved disastrous. The Spartans blew a half-time lead and bowed to the Meyers' Mohawks 24-14. The outlook for the tilt with Nanticoke's unbeaten, unscored-upon, defending conference champions was dismal. Spartan fans were somewhat dejected and held little hope for a victory.

However, the team and Coach Fennel and his staff felt differently, and on the evening of November 8, displaying a potent attack and rugged defense, played a powerful Trojan eleven to a standstill, 34-25, winning one of the most exciting ball games seen in this area in a long time. A 41-6 rout of G. A. R. and a 34-14 Turkey-Day romp over Coughlin clinched second place in the conference and gave Spartan fans a successful season.

Spartans Capture Second Place

Under the direction of Coach Joe Evan, our 1969 SPARTAN BASKETBALL TEAM completed another successful season. The team won eighteen games and suffered only two defeats, both to Nanticoke.

The SPARTANS were on their way to first-half honors when they lost a squeaker to the TROJANS by four points; the second half was a replica of the first—the TROJANS again.

When interviewed about the 1968-1969 season, Coach Evan said, "I would like to commend the team on having a highly successful season, and I would also like to thank the student body for their great enthusiasm at the games. Even though we didn't finish first, the boys worked hard and never gave up."

The SPARTAN seconds Coach Evan's statement.

This season the Wyoming Valley West matmen once again showed their prowess as one of the finest wrestling teams in the valley. They completed a highly successful season and emerged as League champs (along with Hanover and Lake Lehman) for the second year in a row. Much praise must be reserved for the head coach Robert Herman and Assistant coach Gordon Dussinger as well. Under these two very capable men, our matmen were guided and taught to use their full wrestling potential.

Spartans Repeat As Champs

The Spartans opened up the conference season with an exciting but disappointing loss to a spirited Lake Lehman team. They quickly bounced back, however, to capture the rest of the conference meets.

The District II Wrestling Tournament at the end of the conference season provided plenty of excitement for all the Spartan fans. This fast-paced, highly competitive tournament only furthered the reputation that the Spartans are a power-house in wrestling. We witnessed 6 of our men battle to places in the finals.

When the finals were over, five Spartans—Jay McGinley, Nick Clemente, Tom Jerrytone, Paul Herstek and Mac Ahmad —emerged as District Champs! One of them, Jay McGinley, went on to capture the Regional crown and compete in the State semi-finals.

We wish them as successful a season next year.

Cindermen Post Impressive Record

Led by Captains Albert Norcross, Robert Thomas, and Robert Wasserstrom, Coach Larry Brunner's Spartan Track Team garnered the P.I.A.A. District II Championship, the Wyoming Valley Track League Championship, and the Jordan Relays Championship. They were runners-up in the Wyoming Valley West Relays.

In compiling their impressive record, the Spartans averaged 109 points per meet to their opponents' 41. Ken Ellis, Bernie Duda, Bob Wasserstrom, and Al Norcross set a new hurdle record in the Jordan Relays; Frank Vnuk fashioned a new distance record in the 880 yard run at the District II meet. Our two-mile relay team—Rich Kush, Bob Thomas, Bill Krench, Frank Vnuk—is considered one of the best in the state. Al Norcross personally racked up 82 Spartan points and led the team in scoring, at the same time posting two new school records.

During the season no fewer than twelve school records were set. Tom Tamanini, Mark Lukas, Bob Wasserstrom, and Roger

Lacy tied the 880-relay. Records set included Richard Kush—440; Frank Vnuk—880; Bob Thomas—mile; Bob Wasserstrom—high hurdles; Mark Skvarla—discus; Marty Kotinsley—pole vault; Ken Ellis—low hurdles; Al Norcross—long jump and triple jump; John Yarmel—high jump; Richard Kush, Bob Thomas, Bill Krench and Frank Vnuk—two-mile relay; and Richard Kush, Bob Thomas, Mark Lukas, and Frank Vnuk—one-mile relay.

Coach Brunner stated that "the team was small in numbers, but great in spirit. The reason why we won was great determination." He reminded the boys that "they had wasted their time all winter if they didn't work hard in the spring." Evidently, the team heeded his advice. Coach Brunner's remark that "winners bring future winners" should serve as a reminder to all Spartan athletes.

A team and coach that can put together a season such as this needs no fanfare. Their exploits speak for themselves.

nother chapter was written in annals of Spartan baseball season, a rather vivid one. y did not win a championship; her did they make headlines ss the state; but they did end campaign with a 12-3 record, good in any league.

he Spartans had a shot at the sion championship but lost the off game to the league champions in a squeaker by one run, a heartbreaker.

Coach Fred Frey stated that "the 1969 baseball team will be one of my fondest memories of coaching. They displayed an outstanding talent and dedication to baseball. Their courage, desire, and competitive spirit will serve as an inspiration to many W.V.W. teams of the future. Not only were they tremendous athletes, but more important, they were the finest group of young men I have ever had the privilege of working with. My heartfelt thanks for a job well done and continued success in their future goes to all the players on the '69 team."

Coach Frey said it all. We underline it.

MANAGERS:

Hustle, drive, desire and ability—the Spartans had them all. Next year . . .

Cross-Country

Commencement of the school year was followed swiftly by the opening of the 1968-1969 cross-country season.

Following last year's fine season, this campaign proved disappointing. The Spartan road-runners and Coach Brunner tried courageously to shape a successful season, but fell somewhat short of the mark, losing to Meyers and Coughlin in dual meets, and posting one win at the expense of G. A. R. However, the team managed an impressive showing at the Berwick tri-meet and in the district meet, placing second and third respectively.

As Coach Brunner sums it up, "The varsity cross-country team was hampered all year due to injuries to our top runner; however, the future looks much brighter because of the fine record of the J.V. Team."

The J.V.'s compiled an outstanding record of five wins and one loss.

Congratulations, Spartans.

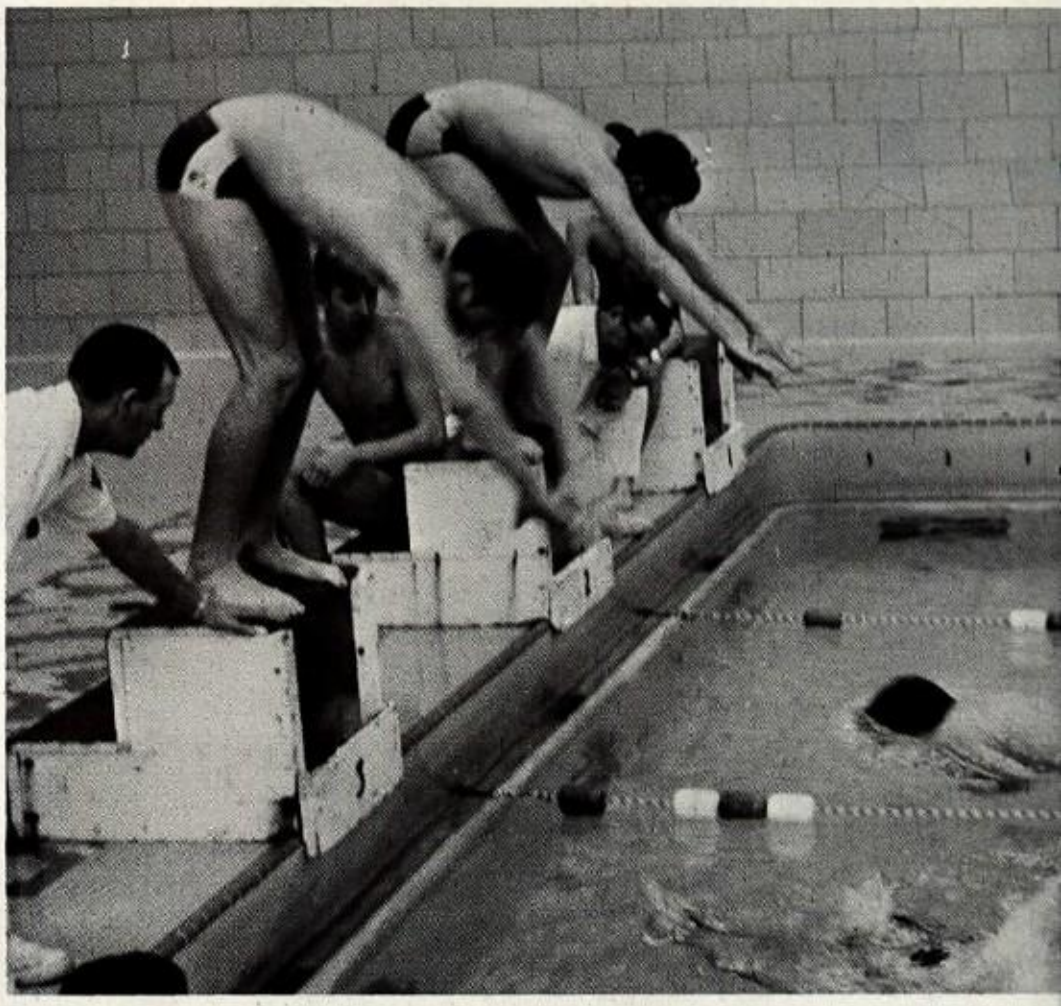
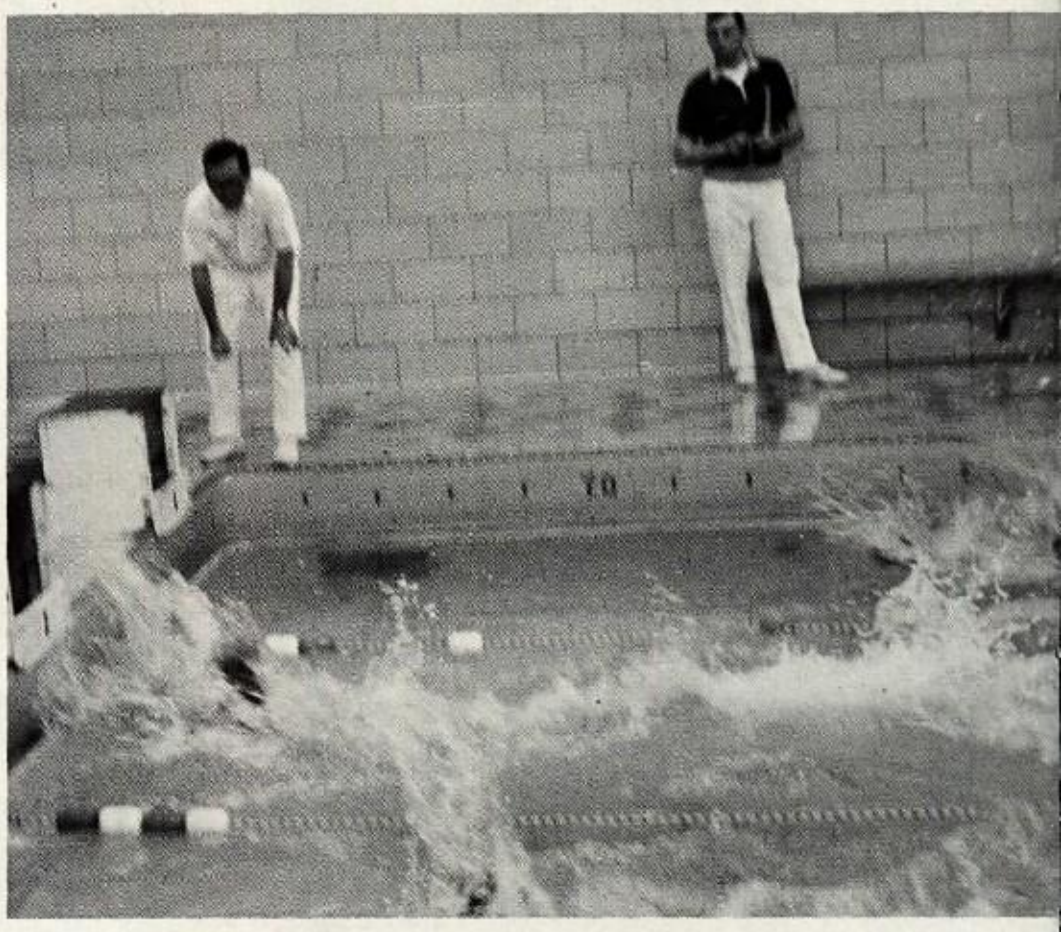
Swimming

Under the direction of Coach Ken Turley, our Wyoming Valley West swim team completed a highly successful initial season. The tankmen won four meets and managed a strong second-place showing at the District Meet.

Coach Turley commented: "I am extremely pleased not only with the team's record, but their desire to achieve under what were adverse conditions." He attributed the team's fine showing to such senior swimmers as John Brice, Bob Rifkin and Larry and Alan Taub. Juniors—Bob Hosey, Bill Reese and Mike Matukonis—also were instrumental. Freshmen and sophomores showed much talent and are expected to add depth and strength next year.





Competition is expected to be much keener next year as a new swim league was formed to encompass schools in the Scranton-Stoudsburg-Hazleton Area. We believe the Spartans are ready for this competition.

Says Coach Turley, "We are looking forward to an even better year and hope we can make W.V.W. a common name in swimming circles throughout the state. My only regret is that we are losing some fine seniors."

Congratulations on a successful season!

1968-1969 marked the debut of yet another sport new to the Wyoming Valley West athletic program—gymnastics.

Everyone knew the term, but very few knew exactly what the term entailed; very few had ever witnessed a gymnastic exhibition. WVW had a new varsity sport. Great! What was it like?

One day in May, on the auditorium stage, Mr. Peter Zaley and his team showed the student body what it was all about. To say that it was an enlightening experience would be a gross understatement. A rather placid, skeptical student audience was transformed into an enthusiastic and appreciative group in the short space of thirty minutes. As far as gymnastics was concerned, this was the formula for instant success; the exhibition was impressive and promised much for the future. Next year the team may engage in competition.

Gymnastics is a sport demanding a very high degree of coordination, conditioning, training, and a particular brand of courage. We are fortunate to have the athletes necessary and a coach who is exceptionally well qualified. Spartans will be proud of this team.

Spartans Post Perfect Record To Capture The Wyoming Valley Golf League Championship

Led by team captain, Terry Maher, Coach Leonard Barlik's Spartan Golf Team captured the Wyoming Valley Golf League championship.

The Spartans fashioned a 14-4 win over Wyoming Seminary and an 11½-6½ victory over West Side Central to open the campaign, and from there on it a romp. Final results—sixteen v and no losses, a perfect seas

Veterans Terry Maher, Rob Zagorsky, Adam Serafin, and Michaels all lettered last y With the exception of Maher, will return next season.

Girls' Varsity Hockey

For the third consecutive year the Spartan Girls' Hockey Team posted an unbeaten record (For Mrs. Weiss this is the ELEVENTH consecutive unbeaten season). Winning appears to be a habit of Weiss-coached squads, and the end is not in sight; the Spartans are deep in talent and experience.

The Spartans opened the season with a 6-0 win over Lake-Lehman, backed by a 4-0 victory over G.A.R. Meyers proved a rugged opponent and held the Spartans to a 2-2 tie. The girls erased this blemish with a 1-0 win over the Mohawks in a return match. Dallas fell victim 3-0 and 2-0 in back-to-back games; Coughlin bowed 3-0 to complete the season. These were all victories over teams that were keyed-up to beat us.

A team record such as these girls have compiled deserves the admiration and thanks of all Spartans. Athletic excellence of this stature is a rarity.

Girls' Basketball

Guided by Mrs. Miriam Hannon, our powerful Spartan Girls' Basketball Team has completed another successful season. The worst blemish was a defeat by Nanticoke for the first-half championship.

The second half found the girls back in winning form. They defeated Nanticoke for the second-half championship 50-34 in a play-off game only to lose the league championship to the Rams in a second play-off game, 36-42.

Twenty-two schools participated in the Annual Girls' Foul Shooting Contest. Our girls' team comprised of Judy and Joan Phillips and Roberta Asrary captured 2nd, 3rd, and 4th places out of a possible five in the individual awards category. The first place team award was also won by the WVW's girls' team. Well done!

ACTIVITIES

Camelot

A high school play means getting passes to leave class, burgers and milk shakes from the Burger King for hungry cast members, dress rehearsals and fatigue from months of hard work.

Practice for the Wyoming Valley West production of **"Camelot"** began in November for Mr. Nicholas, play director, and leading members of the cast: Tom Oliver, Sue Taylor, Chuck Robbins, and Don Michak. Other leads were: Dave Oatridge as Mordred, Barbara Jones—Nimue, Richard Mebane—Sir Lionel and Debbie Block—Morgan LeFey.

In February, the choruses, under the direction of Miss Turner and the orchestra conducted by Mr. Henderson started to practice with the leads to round out the production. Working nights, after school and sometimes Saturday, they practiced until the finale on March 29 to achieve the professionalism for which they were lauded.

Mr. Nicholas, Miss Turner, Mr. Henderson and each member of the cast deserves the highest amount of praise for **"Camelot."**

West Side Story

A student publication is just that—a vehicle of the students to express what they feel, what they hope, what they think. The **West Side Story** is all of this. It combines the talents of a cross-section of the student body to produce a tabloid of good journalism. It not only reveals sophistication and form, but wit, humor and involvement as well.

As Editor of the **West Side Story,** Leslie Danoff has had the primary responsibility of "putting the paper to bed" six times this year. One who is not familiar with a publication of this type does not realize the amount of work that goes into the final copy. Assignments must be made, copy rewritten, layouts drawn, copy edited and rewritten to fit the layouts, pictures taken, and finally a unification of copy and pictures—the newspaper. Needless to say, Leslie has had very competent staffs. The Editorial Board must be especially commended. We extend our best wishes to next year's editor and staffs and hope that more students will realize the value of the paper as a means in expressing their opinions, gripes and suggestions. In short, we urge them next year to take advantage of their publication—the **West Side Story.**

From its first fanfare on the football field to the closing song of its spring concert, the Wyoming Valley West Spartan Band has provided the high school with unmatched spirit, dedication, and entertainment. The organization's presence at football games was a must in keeping up school spirit, as was that of the pep band at other sports events. Mr. James Selingo also used special talent to form a stage band and a "Dixieland Band." Mr. Henderson directed the highly professional "Camelot" orchestra. Wyoming Valley West showed its interest in the band program by housing the District Band Festival and some of our more talented musicians went on to Regionals.

Parades, eighth-period rehearsals, assemblies, practices at Plymouth. All of these activities require more time and hard work than most non-participating students realize. The band members deserve special recognition for their long hours of preparation and practice.

Cheerleaders

Mrs. Jane Kilduff

Exuberance and Pep are two words that can describe the Wyoming Valley West SPARTAN cheerleaders. Under the guidance of Mrs. Jane Kilduff, the cheerleaders practiced for hours to lend to the spirit of football games, wrestling meets, and basketball games. Their activities were not just limited to cheering, however. They served as very capable ushers at several Spartan Booster Club meetings as well as at Parent-Teacher Night.

The pep sessions were a favorite both for the student body and the cheerleaders themselves. A tingling excitement seemed to pass through the audience as these 12 girls ran down the aisles and onto the stage. Perhaps their form wasn't always perfect, but peppy enthusiasts who stirred up excitement before forthcoming games they were. This is what cheerleaders should be. This is what Wyoming Valley West Cheerleaders are.

Two girls' choruses and one mixed chorus section comprise the three choral groups of Wyoming Valley West. Under the direction of Miss Dorothy Turner, all members actively participated in a variety of programs this past year. The choruses not only planned programs for this building, but have performed outside as well.

The Christmas season was especially busy for the choral groups. They sang carols for various civic groups including Rotary and Kiwanis as well as at the Miners National Bank, General Hospital, Retreat State Hospital, and the Court House. The Christmas program was also unique this year. The Girls' Choruses sang selections from Tchaikovsky's "Nutcracker" accompanied by ballet and tap dancers. The Mixed Chorus sang the traditional Christmas selections as well as songs to celebrate Chanukah.

Immediately following Christmas, the

choral groups began work on "Camelot." After months of practice, they donned the costumes of the fantasy kingdom and added tremendous life and their singing to support the leads.

The choral groups were composed of many talented individuals, some of whom distinguished themselves by representing the groups at District and Regional Chorus.

The choruses presented their final performances in May when each individual chorus presented selections from "Fiddler On The Roof," "Oliver," and "Brigadoon." Folk songs and performances by soloists rounded out the programs. Commencement will be the last time that senior members will perform as part of the chorus of Wyoming Valley West. We would like to commend Miss Turner and the choral groups for fine organization and activity unparalleled by any other group.

Student Council

A student council is difficult to describe. It is the sum total of everything the students want it to be, and the administration allows it to be. It must have untiring members, innumerable ideas, and the leadership necessary to command the student body. This year we had excellent leadership. As president, Tom Oliver was always on the move, thinking of new ideas, or planning activities. Tom, assisted by Hani Ahmad, Nancy Alfano, Tom Steltzer, Mac Ahmad, and the various S.C. representatives combined work with lots of fun to make this year exciting and different.

"Bundle Day" for the underprivileged children of Appalachia kicked off the S.C.'s activities. Hundreds of pounds of clothing were collected, then packed and shipped for the needy. The serious mood of work was dispelled by an exciting Thanksgiving Night Dance. Under a kaleidoscope of psychedelic color, Charlie Chaplin and Popeye teamed together to complement the music of a great band! The final activity of the S.C. was a hilarious Student Day. Teachers felt what it was like to be students once more, as students became teachers. The unusual day was capped by an absolutely tremendous Student Day Program called "Trash." Students came out of the auditorium holding their sides from laughter. The acts were all good, (which were mostly spontaneous rather than too rehearsed) but the consensus was that the free expressionist group dancing to the music of "Hair" was the best.

The activities mentioned above were the products of long hours of meetings and consultations. They would not have been possible without the Student Council. They made 1968-69 a very good year!

National Honor Society

The National Honor Society is composed of those members of the Senior Class who best exemplify the qualities of scholarship, leadership, character and service. In order to first qualify for the Honor Society, these students must have attained high academic excellence and rank in the top 15% of the class.

In a very impressive ceremony in February, the first 10% or 59 students were inducted. They were led by Honor Society President Joseph Piszczek, Vice President Robert Gongleski, Secretary Marilyn Shup, and Treasurer Thomas Swantkowski in the recitation of the National Honor Society Pledge. In the pledge, the students promised to maintain the standards under which they were admitted. The last 5% or 31 members were inducted in early June and the ceremony was attended by both old and new members.

The National Honor Society is a fitting tribute to those students who have attained superiority in their senior high school years and all of these students, we are certain, will also achieve success after high school.

The Eighth Edition

Published By Grade 8
Forty Fort Building

Journalism begins early at Wyoming Valley West and **The Eighth Edition** is a fine example of the talent available. Good taste, fine layout, and a real journalistic style underscored the drive and initiative of the staff and the advisor, Mr. George Germak. The paper provides valuable experience which should do much to bolster Wyoming Valley West journalism in the future. Certainly this is a step "towards excellence."

Activities in the Wyoming Valley West junior high schools are many and varied, providing experiences in numerous areas which prove both enjoyable and valuable to the student. The program is of a depth and scope that offers something for every student; there is no excuse for non-participation.

It is the activities program which broadens the student's horizon and affords experimental experiences which may change or enrich his future—at the very least, enhance his development. We believe it is an extremely important part of the educational process; and from the tremendous participation, the student body must agree.

In this section we have attempted a broad coverage of the program, but available space has limited the process. We realize the importance of these activities and the necessity of full coverage for these said activities either in this publication or another. It will take a lot of room—it's "a lot of program."

GRADUATION

A yearbook is a chronicle of time—ten months time. It is a difficult task to try and compress the growth, the learning, the emotion, into a book and yet that is what we have tried to do. It is tremendously exciting to see the book slowly take shape day after day, week after week, but it can also be very frustrating at times when things don't turn out the way you thought they would or when you realize that a deadline is only a few days away.

We feel, though, that the long hours we put in and the work that went into the book was all worthwhile. We have tried new ideas in design and layout and have tried to have more comprehensive copy. We also tried to put more emphasis on candid photos so that they could tell the story of a year. In doing this we had one objective: to produce a yearbook the class of 1969 could be proud of.

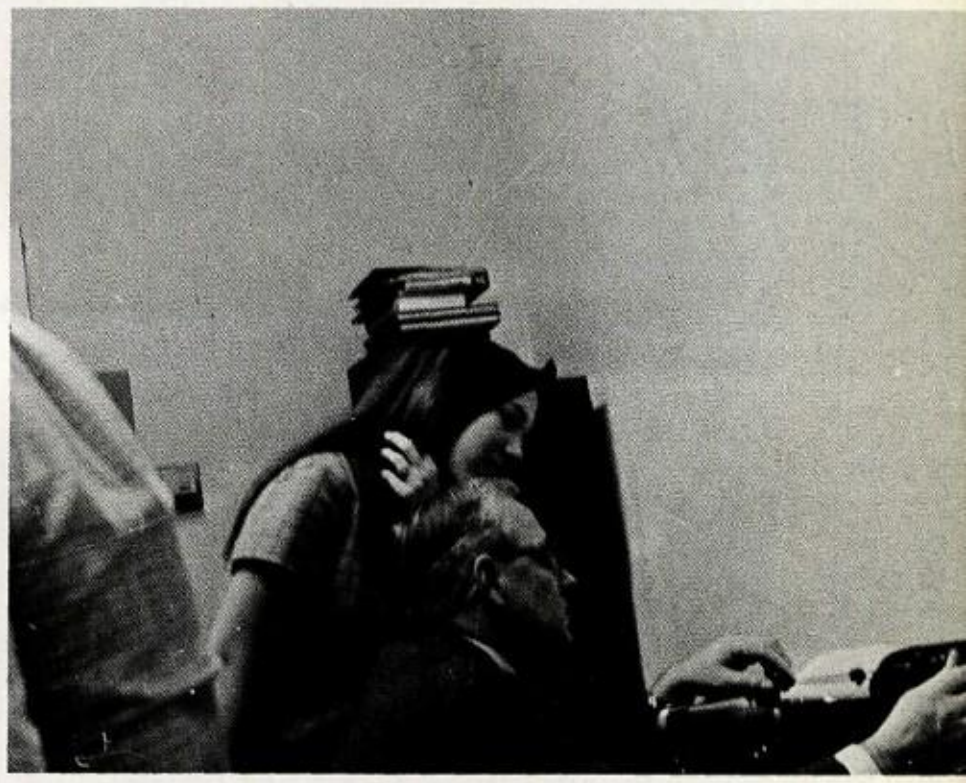
Acknowledgements

Many people have played integral parts in the production of the 1969 SPARTAN. We wish to acknowledge them and thank them for their assistance in every area of the book. SPARTAN thanks go to Mr. Matthew Lynott, our Taylor Publishing Co. representative for arrangements made and patience in helping us; Mr. James Nicholas who more or less acted as a liaison between the central office and the yearbook office; Mr. Thomas Husband, Mr. Alex Rebar and Mr. Paul Bieley the professional photographers who helped us in each town; Mr. Davis, Mr. Ferris and all the other administrators, faculty, and students who were so cooperative with picture schedules and forms.

Special thanks go to Mr. Thomas T. Smith, our advisor and the one who really made the book possible. Mr. Smith has been the yearbook advisor for over ten years, first for the Forty Fort High School FORT and now for the SPARTAN. His optimism kept us going at times when we thought we might not make it. He is a tremendous human being and a dedicated teacher. His patience and guidance won't be forgotten.

Final thanks go to the staffs and those members who went above and beyond by staying after school and coming back at night. Thank you.



ADVISOR: Thomas Smith
